ADVISORY #: 21-107

**SUBJECT: Addition of E-mini FTSE China 50 and E-mini Emerging Index Futures Contracts to Mutual Offset System (MOS) Link April 19<sup>th</sup>**

Effective April 19<sup>th</sup>, 2021, CME will add two futures contracts to the existing list of futures contracts eligible for the Mutual Offset System “MOS.” Pending regulatory approval, CME and SGX will add the E-mini FTSE China 50 Futures and E-mini FTSE Emerging Index Futures into MOS link starting on Sunday April 18<sup>th</sup> for business day Monday, April 19<sup>th</sup>. Listed contract months common to both CME and SGX, shall be eligible for submission to the Exchange’s MOS. Below are details on each exchange contract naming convention and clearing codes.

**CME**

Product Name	Clearing Code
E-mini FTSE China 50 Futures	FT5
E-mini FTSE Emerging Index Futures	EI

**SGX**

Product Name	Product Code
FTSE China H50 Futures	FCH
FTSE Emerging Market Index Futures	FEM

Those futures are currently listed for trading and clearing on both exchanges. We encourage firms to test cross exchange allocations and claims in FEC new release environment via UI or API. Testing is currently available for firms during normal business hours, except on Wednesday afternoon when clearing new release is down for regular maintenance.
