

Advisory Notice

TO: Clearing Firms; Back Office Managers; CME CORE Users; PC SPAN Users

FROM: CME Clearing

DATE: 10/1/2021

ADVISORY #: 21-354

SUBJECT: **SPAN 2 Margin Framework Now Live for Daily Testing in CME CORE User Interface and API**

In conjunction with CME's roll-out of the SPAN 2 framework for energy markets, the CME CORE user interface and API are now live with daily testing in CME CORE. The SPAN 2 risk data is refreshed on a daily basis at EOD. Parameters are refreshed around 10:00 pm CT on business days.

For related details on CME CORE and CORE Margin API SPAN 2 support, see prior advisory:
