DATE: November 29, 2017

NOTICE #: MSN11-29-17

SUBJECT: Position Limits, Accountability Levels and Large Trader Reporting Requirements in Connection with the Initial Listing of Eight (8) Singapore Gasoil Futures Contracts and Amendments to the Singapore Gasoil 10 ppm (Platts) vs. Singapore Gasoil (Platts) Futures Contract

In connection with the listing of New York Mercantile Exchange, Inc.'s ("NYMEX" or "Exchange") eight (8) Singapore Gasoil futures contracts on trade date Monday, December 4, 2017 (see [SER-8016R](#) published November 13, 2017), please note in [Exhibit B](#) of NYMEX Submission No. [17-423](#), the corresponding spot month position limits (Rule 559), aggregation allocations (Rule 559.D.), single month and all month accountability levels (Rule 560) and reportable levels (Rule 561) for the new contracts. The contracts shall have diminishing balances.

Additionally, the Exchange shall amend the Singapore Gasoil 10 ppm (Platts) vs. Singapore Gasoil (Platts) (Rule Chapter: 862, Commodity Code: STZ) futures contract (the "Contract") (see [SER-8016R](#) published November 13, 2017). Specifically, the Exchange will amend the contract title and floating price rule for the Contract as noted in NYMEX Submission No. [17-393](#) and [Exhibit C](#) of NYMEX Submission No. [17-393](#). The amendments are being implemented to reflect a Platts methodology change for assessing their Singapore gasoil benchmark.

Effective trade date December 4, 2017, and pending all relevant CFTC regulatory review periods, the [NYMEX Position Limit, Position Accountability and Reportable Level Table](#) located in the Interpretations & Special Notices Section of Chapter 5 of the NYMEX Rulebook will be amended in accordance with the NYMEX Submission.

The commodity codes are provided for Clearing Members that file reports pursuant to NYMEX Rule 561.A in a machine-readable format.
