

## Special Executive Report

---

S-8115

March 16, 2018

### **Handheld, Tablet and Headset Policy in the CME Standard and Poor's 500 Stock Price Index Futures Pit**

This Special Executive Report is being issued to provide an update on the current handheld, tablet and headset policies applicable to the CME Standard and Poor's 500 Stock Price Index futures ("SP") pit.

#### **Handheld Devices & Trading Tablets**

The use of handheld trading devices or trading tablets to access CME Globex is prohibited for members standing on the broker top step.

#### **Headsets**

While standing on the broker top step, members may not use headsets to place orders for their own accounts, accounts they control, or accounts in which they have a direct or indirect financial interest.

The former restrictions on the use of headsets by locals standing on the local top step and by members standing in the back-month area of the SP pit during non-rollover time periods have been eliminated.

If you have any questions concerning this policy, please contact Barry Schauer, Trading Floor Investigations Specialist, at 312.341.7640 or Robert Sniegowski, Executive Director, Market Regulation, at 312.341.5991.
