CME Group

Special Executive Report

S-8836R **August 27, 2021**

Postponement of Amendments to CME, CBOT, NYMEX, and COMEX Rule 853. ("Transfers of Trades and Customer Accounts")

SER 8836R supersedes SER 8836 dated August 12, 2021, and is being issued to advise that the previously announced amendments to CME, CBOT, and NYMEX/COMEX Rule 853. ("Transfers of Trades and Customer Accounts") concerning a provision under which a clearing member could manage the liquidation and hedging of a defaulting customer within its house account provided the clearing member had a contractual right to transfer the position has been postponed until further notice.

Questions regarding this SER may be directed to Robert Sniegowski, Executive Director, Rules & Regulatory Outreach, at 312.341.5991.
