Options on Mexican Peso/US Dollar (MXN/USD) Futures Contract  
Within the Currently Established Listing Schedule**

Effective Sunday, September 11, 2016 for trade date Monday, September 12, 2016, Chicago Mercantile Exchange Inc. ("CME" or "Exchange") will list nine (9) additional contract months to the Options on Mexican Peso/US Dollar ("MXN/USD") futures contract (the "Contract") (CME Rulebook Chapter: 256A; Commodity Code: 6M) for trading on CME Globex.

CME currently lists three (3) contract months for the Contract on Globex and twelve (12) contract months for trading on the CME trading floor and for submission for clearing through CME ClearPort. Listing the additional contract months on CME Globex will align the listing schedule for the Contract on all trading and clearing venues.

The Commodity Futures Trading Commission ("CFTC") will be notified of the expansion of the listing schedule on CME Globex during the week of September 19, 2016, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.
