

Special Executive Report

DATE: September 26, 2016

SER#: 7750

SUBJECT: Amendment to the Product Title of the Gulf Coast ULSD (S&P Global Platts) Average Price Option Contract

Earlier today, New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") amended the product title of the Gulf Coast ULSD (S&P Global Platts) Average Price Option (the "Contract") as described in the table below.

| Product Title | Amended Product Title as of September 26, 2016 | CME Globex/Clearing Code | Rulebook Chapter |
|--|---|-----------------------------|---------------------|
| Gulf Coast ULSD (S&P Global Platts) Average Price Option | Gulf Coast ULSD (Platts) Average Price Option | GUL | 535 |

The Exchange also amended all references to the Contract throughout the NYMEX rulebook to reflect the new name. The rulebook chapter and commodity code will remain unchanged. The Exchange will also implement the amendment to the position limit table within Chapter 5 of the NYMEX rulebook to reflect the revised naming convention. This change will not affect existing position limits of the product.

Please note that the title change and related amendments are administrative in nature and will, in no manner, impact the structure of the Contract or related contracts.

The Commodity Futures Trading Commission (CFTC) will be notified of the product name change and related rule amendments during the week of October 3, 2016, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.
