

Special Executive Report

DATE: September 26, 2016

SER#: 7751

SUBJECT: Amendment to the Product Titles of Aluminum A380 Alloy (S&P Global Platts) Futures and Alumina FOB Australia (S&P Global Platts) Futures Contracts

Earlier today, Commodity Exchange, Inc. (“COMEX” or “Exchange”) amended the product titles of the Aluminum A380 Alloy (S&P Global Platts) Futures and Alumina FOB Australia (S&P Global Platts) Futures (the “Contracts”) as described in the table below.

Product Title	Amended Product Title as of September 26, 2016	CME Globex/Clearing Code	Rulebook Chapter
Aluminum A380 Alloy (S&P Global Platts) Futures	Aluminum A380 Alloy (Platts) Futures	A38	122
Alumina FOB Australia (S&P Global Platts) Futures	Alumina FOB Australia (Platts) Futures	ALA	195

The Exchange also amended all references to the Contracts throughout the COMEX rulebook to reflect the new name. The rulebook chapter and commodity code will remain unchanged. The Exchange will also implement the amendment to the position limit table within Chapter 5 of the COMEX rulebook to reflect the revised naming convention. This change will not affect existing position limits of the product.

Please note that the title change and related amendments are administrative in nature and will, in no manner, impact the structure of the Contracts or related contracts.

The Commodity Futures Trading Commission (CFTC) will be notified of the product name change and related rule amendments during the week of October 3, 2016, via the weekly notification procedures set forth in Part 40 of the CFTC Regulations.
