

Special Executive Report

DATE: May 17, 2017

SER#: 7917

SUBJECT: Initial Listing of Four (4) Physically-Delivered European Natural Gas Futures and Four (4) Financially-Settled European Electricity Futures Contracts on NYMEX

New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") today announced its intention to list four (4) European natural gas and four (4) European electricity futures contracts (the "Contracts") for trading on CME Globex and for submission for clearing via CME ClearPort as more specifically described below. The Exchange intends to list the Contracts effective on Sunday, July 9, 2017 for trade date Monday, July 10, 2017, pending all relevant CFTC regulatory review periods.

Note that with regard to the physically-delivered European natural gas contracts, subject to having finalized connectivity agreements with the respective Dutch and UK natural gas hubs, the Exchange intends that the first listed contract month be September 2017 (expiring August 30, 2017). Additional details regarding the Contracts' specifications will be forthcoming.

The Contracts to be listed are the following:

Natural Gas (physically delivered)

Dutch TTF Natural Gas Calendar Month Futures
Dutch TTF Natural Gas Daily Futures
UK NBP Natural Gas Calendar Month Futures
UK NBP Natural Gas Daily Futures

Electricity (financially settled)

Italian Power Baseload (GME) Calendar Month Futures
Italian Power Peakload (GME) Calendar Month Futures
German Power Baseload Calendar Month Futures
German Power Peakload Calendar Month Futures
