**SUBJECT: November 2017 Feeder Cattle Futures and Options – Settlement
Date/Option Expiration DELAYED**

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") has been advised that the USDA-AMS Market News' reporting system has been experiencing technical difficulties. This has caused several reports of feeder cattle auctions and sales to be delayed and, in some cases, reported multiple days late.

To ensure that all relevant reports are included in the settlement price and pending resolution of this matter, the Feeder Cattle Index price for today, Friday, November 17, 2017 will be delayed until Monday, November 20, 2017 or beyond. The Feeder Cattle Index price serves as the final settlement price for the November 2017 contract month of CME's Feeder Cattle futures and options contracts.
