

Special Executive Report

DATE: April 8, 2022
SER#: 8972
SUBJECT: Suspension of Approved Status for Warranting and Delivery of Certain Platinum and Palladium Brands

Effective immediately, New York Mercantile Exchange, Inc. ("NYMEX") has suspended the approved status for warranting and delivery of the following brands of platinum and palladium until further notice.

Producer	Brand Code
Platinum	
Krastsvetmet	KRAS
Krastsvetmet	ARKA
Prioksk	PRIO
Palladium	
Krastsvetmet	KRAS

Platinum and palladium produced through April 8, 2022, will continue to be eligible for warranting and delivery. Metal produced after April 8, 2022 will not be eligible for warranting and delivery until further notice.

The Commodity Futures Trading Commission ("CFTC") will be notified of the aforementioned suspension during the week April 11, 2022 via the weekly notification procedures set out in Part 40 of the CFTC's Regulations.

By way of reminder, the following brands have not been produced for a number of years. However, these brands continue to remain eligible for delivery and warranting as metal of these brands were produced prior to April 8, 2022.

Producer	Brand Code
