

Special Executive Report

DATE: August 11, 2022
SER#: 9029R
SUBJECT: **POSTPONED: Amendments to the Daily Settlement Procedure Document for the S&P GSCI Commodity Index Futures Contract and Expansion to a Four (4) Decimal Place Locator for all CME and CBOT Commodity Index Futures Contracts**

(SER 9029R supersedes SER 9029 dated July 26, 2022 to advise that the effective date for the amendments has been postponed until further notice.)

On July 26, 2022 Chicago Mercantile Exchange Inc. ("CME") and The Board of Trade of the City of Chicago, Inc. ("CBOT") (collectively, the "Exchanges") advised of their intention to amend the daily settlement procedure document (the "Document") for the S&P GSCI Commodity Index Futures contract as well as other non-substantive changes to the daily settlement procedure of the balance of the CME and CBOT commodity index futures contracts listed in the Table 1. below (the "Contracts").

Please be advised that the Exchanges are postponing this initiative until further notice.

Table 1.

Contract Title	CME Globex / CME ClearPort Code	Rulebook Chapter
