

Special Executive Report

DATE: November 1, 2022

SER#: 9080

SUBJECT: Amendments to the Listing Schedule of All NE2 Crude Oil Contracts and the Temporary Suspension of Trading and Clearing of Certain Previously Listed Contract Months

Effective November 17, 2022, and pending all relevant CFTC regulatory review periods, New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) will implement amendments to the listing schedule of all of NYMEX’s NE2 crude oil futures and options contracts as listed in Table 1. (the “Contracts”) such that the Exchange shall cease listing additional contract months as more specifically described below.

Effective *immediately*, the Exchange will temporarily suspend trading and clearing of certain previously listed contract months indicated in Table 1. (the “Impacted Contract Months”) until further notice (collectively, the “Rule Amendments”). There is no open interest in the Impacted Contract Months of the Contracts.

Lastly, the Exchange intends to subsequently suspend trading and clearing of additional previously listed contract months of the Contracts in the event there is no open interest in those contract months.
