

Chapter 103A

Options on 90% Lean Beef Trim Futures

103A00. SCOPE OF CHAPTER

This chapter is limited in application to Options on 90% Lean Beef Trim Futures ("Options"). In addition to this chapter, Options on 90% Lean Beef Trim Futures shall be subject to the general rules and regulations of the Exchange insofar as applicable.

For purposes of this chapter, unless otherwise specified, times referred to herein shall refer to and indicate Chicago time.

103A01. OPTIONS CHARACTERISTICS

103A01.A. Contract Months and Trading Hours

Options contracts shall be listed for such contract months and scheduled for trading during such hours as may be determined by the Exchange.

103A01.B. Trading Unit

The trading unit shall be an option to buy, in the case of the call, or to sell, in the case of the put, one 90% Lean Beef Trim futures contract as specified in Chapter 103.

103A01.C. Minimum Fluctuations

The price of an option shall be quoted in cents per pound. Minimum price fluctuations shall be in multiples of \$.0005 per pound (also known as one tick).

103A01.D. Underlying Futures Contract

For regular-cycle options, the underlying futures contract is the futures contract for the month in which the option expires. For example, the underlying futures contract for an option that expires in February is the February futures contract.

103A01.E. Exercise and Exercise Prices

Transactions and exercise of options shall be conducted for option contracts as set forth in the [Strike Price Listing and Exercise Procedures Table](#).

103A01.F. Position Limits, Exemptions, Position Accountability and Reportable Levels

The applicable position limits and/or accountability levels, in addition to the reportable levels, are set forth in the Position Limit, Position Accountability and Reportable Level Table in the Interpretations & Special Notices Section of Chapter 5. A Person seeking an exemption from position limits for bona fide commercial purposes shall apply to the Market Regulation Department on forms provided by the Exchange, and the Market Regulation Department may grant qualified exemptions in its sole discretion. Refer to Rule 559 for requirements concerning the aggregation of positions and allowable exemptions from the specified position limits.

103A01.G. [Reserved]

103A01.H. [Reserved]

103A01.I. Termination of Trading

Options trading shall terminate on the same date and time as the underlying futures contract.

103A01.J. [Reserved]

103A02. ASSIGNMENT

In addition to the applicable procedures and requirements of Chapter 7, the following shall

apply to the assignment of the Options.

Exercise Notices accepted by the Clearing House shall be assigned through a process of random selection to clearing members with open short positions in the same series. A clearing member to which an Exercise Notice is assigned shall be notified thereof as soon as practicable after such notice is assigned by the Clearing House, but not later than 45 minutes prior to the opening of trading in the underlying futures contract on the following Business Day.

The clearing member assigned an Exercise Notice shall be assigned a short position in the underlying futures contract if a call was exercised or a long position if a put was exercised. The clearing member representing the option buyer shall be assigned a long position in the underlying futures contract if a call was exercised and a short position if a put was exercised.

All such futures positions shall be assigned at a price equal to the exercise price of the option and shall be marked to market in accordance with Rule 814 on the Trading Day of acceptance by the Clearing House of the Exercise Notice.
