

REVISIONS TO CME, CBOT AND NYMEX CHAPTER 4 (“ENFORCEMENT OF RULES”) AND RELATED RULES

Effective Monday, November 29, 2010, CME, CBOT and NYMEX will adopt revisions to the rules in each exchange’s Chapter 4 (“Enforcement of Rules”) and other related rules. The revisions are the result of a comprehensive review of the disciplinary process rules and are being adopted to reflect best practices and to continue to promote market integrity through an effective and rigorous self-regulatory enforcement program. A description of the significant revisions is set forth below, followed by the text of the revisions with additions underscored and deletions overstruck.

CME Chapter 4 revisions begin on page 4, CBOT Chapter 4 revisions begin on page 22, NYMEX Chapter 4 revisions begin on page 40 and the revisions to related CME, CBOT and NYMEX rules begin on page 58 of this Special Executive Report.

Position Limit Violations

Former Rule 443 (“Position Limit Violations”) has been revised and relocated in Chapter 5 as Rule 562 (“Position Limit Violations”) in order to keep in proximity with other position-related rules. Rule 562 eliminates the automatic fining schedule currently set forth in Rule 443. As a result, position limit violations will be handled pursuant to the normal disciplinary process applicable to other regulatory rules for which pre-determined sanctions do not exist and may result in the issuance of charges and disposition by a Panel of the Business Conduct Committee.

Business Conduct Committee (“BCC”) and Probable Cause Committee (“PCC”)

Rules 402 (“Business Conduct Committee”) and 406 (“Probable Cause Committee”) have been revised to decrease the Panel size of each committee from seven to five individuals. Panels of each committee will be comprised of a Hearing Panel Chair, two non-members and two members or representatives of member firms, at least one of whom must be from the contract market where the case originated.

Rule 402 has been further amended to provide a Panel of the BCC the authority to expel an individual from membership in any exchange owned or controlled by CME Group. Additionally, a provision has been added to provide the Panel the authority in a supported offer of settlement to order any sanction or undertaking to address or deter the underlying violative conduct that is not specifically enumerated in the list of available sanctions provided that such sanction or undertaking is agreed to by the party and the Market Regulation Department.

A provision has been added to Rule 406 to clarify that a Panel of the PCC may direct the Market Regulation Department to conduct further investigation into a matter after its review of an investigation report. Additionally, a provision has been added to require a Panel of the PCC to explain its reasons for any refusal to issue any charge requested by the Market Regulation Department.

Conduct of Hearings

A number of revisions have been made to Rule 408 (“Conduct of Hearings”). The significant changes include the following:

1. A provision has been added to allow the Market Regulation Department to revise the charging memorandum with the consent of a Panel of the PCC. This is intended to address situations where such revisions are warranted as a result of further investigation into the underlying activity or into other potential rule violations by a party who has already been charged.
2. A respondent’s right to submit an unsupported offer of settlement to a Panel of the BCC has been limited to a single offer. If the unsupported offer is not accepted, a respondent will not be permitted to submit another unsupported offer of settlement to the panel, except in the limited circumstance where the charging memorandum has been revised subsequent to a Panel’s consideration of an unsupported offer of settlement. If the respondent and the Market Regulation Department cannot agree upon settlement terms after a Panel has declined to accept an unsupported offer, the matter will be resolved via a contested hearing.
3. A provision has been added which requires a Panel of the BCC to hold a separate sanctioning phase after it makes a determination that a rule has been violated. The sanctioning phase allows the Market Regulation Department and the respondent to present information to the Panel regarding their respective views of the appropriate sanctions that should be issued by the Panel.
4. Language has been added to clarify that a Panel’s decision is final on the date the written decision is signed by the Hearing Panel Chair. Additional language clarifies that the decision becomes a final decision of the exchange after any appellate period has lapsed.
5. A specification that the Panel provide “reasoned” conclusions with respect to each charge has also been added to the Rule.

Summary Access Denial Actions

Two new provisions have been added to Rule 413 (“Summary Access Denial Actions”). The first permits a non-member who has been summarily denied access by the Chief Regulatory Officer to request a hearing on the action provided that the non-member submits to the direct jurisdiction of the exchange with respect to the access denial and any future or pending actions that may result from the conduct giving rise to the access denial.

The second provision allows a party who has been summarily denied access by the Chief Regulatory Officer to consent to an extension of such denial after the two 60 day duration windows set forth in the Rule have expired. In the absence of such voluntary agreement, a provision has been added to clarify that the Market Regulation Department may petition a Panel of the BCC to take an emergency action pursuant to Rule 402 to allow the access denial to remain in effect.

Summary Proceedings Before the Floor Conduct Committee

Rule 409 (“Summary Proceedings Before the Floor Conduct Committee”) has been amended to increase the minimum amount of a summary fine eligible to be appealed from \$1,000 to \$5,000.

General Offenses

A provision has been added to Rule 432 (“General Offenses”) clarifying that it is an offense for market participants to prearrange the execution of transactions for the purpose of transferring equity between accounts. The prearrangement of trades for the purpose of passing money from one account to another account violates the requirement that trades in exchange products be made in good faith for the purpose of executing bona fide transactions.

Failure to Pay an Arbitration Award

The language in Rule 618 (“Satisfaction of Award”) describing the limitation of privileges that result from a failure to pay an arbitration award has been harmonized to the greatest extent possible with the limitation of privileges that result from summary access denials.

Settlement Prices

Language formerly residing in CME and CBOT Rule 404 (“Pit Committee”) and NYMEX and COMEX Rule 405 (“Floor Conduct Committee”) concerning the Exchange’s right, title and interest in and to settlement prices has been relocated to Rule 813 (“Settlement Price”).

The CHRC shall act upon applications for clearing membership and applications for assignment of Class A Shares, trading rights and related Class B Shares for clearing purposes. Applications for clearing membership and for assignment of Class A Shares, trading rights and related Class B Shares for clearing purposes, when approved by the CHRC, shall be effective and thereafter ratified by the Board.

If the CHRC determines that a Clearing Member is in a financial condition which jeopardizes or may jeopardize the integrity of the Exchange, the CHRC may, by majority vote:

A respondent may submit an offer of settlement without admitting or denying the Rule violations upon which the penalty is based; provided, however, that an offer must include a consent to entry of findings by the CHRC regarding the conduct and Rule violations at issue and to the penalty to be imposed.

If the Audit or Market Regulation Department does not oppose the respondent's offer of settlement, the respondent's written offer of settlement and the Audit or Market Regulation Department's supporting statement shall be submitted to the CHRC for consideration.

If the Audit or Market Regulation Department opposes an offer of settlement, the respondent's written offer and the Audit or Market Regulation Department's written opposition shall be submitted to the CHRC. The CHRC's consideration of the offer of settlement shall be based upon the written offer and opposition filings, as well as the evidence presented to the CHRC in determining to issue the charges.

The respondent may withdraw his offer at any time prior to final acceptance of the offer by the CHRC. If the CHRC accepts the offer, a written decision setting forth the CHRC's findings and sanction shall be issued, and written notice of the decision shall be given to the respondent.

If the CHRC rejects the offer, the respondent will be notified of the rejection and the offer will be deemed withdrawn. If an offer is withdrawn or rejected by the CHRC, the respondent shall not be deemed to have made any admissions by reason of the offer and shall not otherwise be prejudiced by having submitted the offer. The CHRC chairman may decline to convene the CHRC to consider an offer of settlement.

In submitting an offer of settlement, the respondent waives his right to a hearing and to appeal the CHRC's decision if the offer is accepted; the respondent also waives any claim of bias or prejudgment on the part of the CHRC. If a respondent submits an offer within 14 days of a scheduled BCC hearing on the charges, or after the BCC hearing has begun, the offer shall not stay the BCC hearing unless otherwise determined by the chairman of the BCC Hearing Panel Chair. Any offer of settlement submitted within 14 days of a scheduled BCC hearing will be directed to the BCC in the first instance. The BCC may determine to accept or reject the offer of settlement, or the BCC may refer the offer of settlement to the CHRC, in which case the CHRC will determine whether to accept or reject the offer.

- e. Any other circumstances which may have a severe, adverse effect upon the functioning of the Exchange.

- a. Order the Clearing Member or ~~its his~~ customer to deposit such additional performance bond with the Clearing House as deemed appropriate to protect the integrity of open contracts;

All actions taken pursuant to this subsection shall be by majority vote of the committee members present. A Member affected by the action taken shall be notified in writing of such action. As soon as practicable, the Board and the CFTC shall be promptly notified of the emergency action in accordance with CFTC regulations. Nothing in this section shall in any way limit the authority of the Board, other committees, or other appropriate officials to act in an emergency situation as defined by these Rules.

A. If the Panel determines that a reasonable basis exists for finding that a violation of an Exchange Rule may have occurred which warrants disciplinary action, it shall issue appropriate charges.

B. If the Panel determines that a reasonable basis exists for finding that a violation of an Exchange Rule may have occurred, but that the issuance of charges is unwarranted, it shall direct that a warning letter be issued.

The Market Regulation Department shall investigate potential or alleged Rule violations. Investigations and all information and documents obtained during the course of an investigation shall be treated as non-public and confidential and shall not be disclosed by any party, except as necessary to further an Exchange investigation or as required by law. The Market Regulation Department is authorized to take recorded interviews ~~of Members~~ pursuant to an Exchange investigation. Parties and witnesses being interviewed shall have the right to representation, at their own cost, by legal counsel or anyone other

than a member of any Exchange disciplinary committee, a member of the Board, an employee of CME Group or a person related to the investigation.

The Market Regulation Department may take oral depositions of witnesses during an investigation. The Member under investigation shall be given at least five days written notice of the time of the deposition and place where the witness will be deposed, which may be at any location within the United States. The Member under investigation shall have the right to be present in person or by authorized representative at the oral deposition, with right of cross-examination. All oral depositions of witnesses shall be taken under oath, before an officer qualified in the place of the deposition to administer oaths, and the complete testimony of the witnesses shall be transcribed by such officer or by a person under his supervision. Oral depositions taken in accordance with this Rule shall be admissible in evidence at any hearing of the Board of Directors or a committee, reserving to the Member under investigation the right to object at the hearing to the relevancy or materiality of the testimony contained therein.

Upon conclusion of an investigation, the Market Regulation Department may issue a warning letter to ~~the Member under any party as a result of the~~ investigation. Such letter shall not constitute either the finding of a Rule violation or a penalty.

~~If the Market Regulation Department has reasonable cause to believe an offense has occurred which should be dealt with by a panel of the BCC ("BCC Panel"), it shall request a panel of the PCC ("PCC Panel") to convene to consider its recommendation for charges. Production of the investigation report to a PCC Panel shall not constitute a waiver of the protected and/or privileged nature of such report.~~ The Market Regulation Department's presentation to the PCC Panel shall not constitute an ex parte communication as described in Rule 417.

407.A. Investigation File

The Market Regulation Department shall maintain a file once an investigation is initiated. The file shall include any materials in the possession of the Market Regulation Department that ~~may be~~ relevant to the conduct being investigated. ~~In any matter in which a PCC Panel issues charges, the investigation file shall include an investigation report prepared by the Market Regulation Department. A Member charged with a violation of the Rules shall have the right to review the evidence in the investigation file relevant to the issued charges, provided, however, that protected attorney work product, attorney-client communications and investigative work product, including, but not limited to, the investigation report and any exception reports, are neither discoverable by a respondent in disciplinary proceedings nor subject to review by a respondent as part of the investigation file. Production of the investigation report to a PCC Panel shall not constitute a waiver of the protected and/or privileged nature of such report. In its sole discretion, the Market Regulation Department may assign the costs of copying and producing evidence in an investigation file to the Member requesting the evidence. A member may petition the assigned BCC Hearing Panel Chair in writing, pursuant to Rule 408.B.1., for an order compelling the production of evidence not contained in the investigation file that it reasonably believes is relevant to the issued charges. The Market Regulation Department shall have a reasonable opportunity to respond, in writing, to the Member's motion.~~

407.B. Notice of Charges; Opportunity for Hearing

Where the PCC has issued charges for an alleged Rule violation, the Market Regulation Department shall issue a charging memorandum to the respondent with a brief statement of factual allegations that identifies the charged Rule violation(s). In addition, the Market Regulation Department will send a notice of charges to the respondent. The notice of charges shall set forth ~~the alleged misconduct and~~ the Rule(s) alleged to have been violated, and shall advise the respondent regarding the submission of a responsive answer to each charge in accordance with Rule 407.C. Further, the notice of charges shall advise the respondent that the matter will be heard by a BCC Panel and of the time and place for the hearing, if known. The respondent shall also be advised of his right to appear personally at the hearing and of his right to be represented, at his own cost, by legal counsel or a member of the Exchange, other than a member of ~~any Exchange disciplinary~~ ~~the charging or hearing~~ committee, a member of the Board or an employee of ~~CME Group~~ ~~the Exchange~~.

A respondent may waive his right to a hearing within 40-21 days of receipt of the notice of charges. A respondent who elects to waive his right to a hearing on the charges will be notified of the date on which the BCC Panel will render its decision. Upon a finding of guilt on any charge, the BCC Panel will promptly determine what penalties, if any, are to be imposed and their effective date. A respondent who has waived his right to a hearing and/or admitted the charges against him will be advised of his right to participate in the hearing solely with respect to the penalty.

407.C. Answer to Charges

The respondent shall have 21 days after notice to submit a written answer to the charges. Upon a

showing of good cause, the BCC ~~Panel chairman~~Hearing Panel Chair may extend the period of time in which the respondent is required to submit his answer. The answer must state that the respondent admits, denies, or lacks sufficient knowledge to admit or deny each charge. A statement of lack of sufficient knowledge shall be deemed a denial. Pursuant to a written request by the Market Regulation Department, aAny charge not denied in whole or in part by the respondent shall be deemed admitted by the Hearing Panel Chair, and the failure to file a timely answer may be deemed an admission to the charges. If all the charges are admitted, the respondent shall be deemed to waive his right to a hearing on the charges and the BCC Panel shall find that the violations alleged in the notice have been committed. The BCC Panel will determine the penalty, if any, to be imposed at a hearing, due notice of which will be provided to the respondent. The respondent shall be advised of his right to appear personally at the penalty hearing and advised of his right to be represented at his own cost by legal counsel or ~~anyone another member of the Exchange~~, other than a member of ~~the charging or hearing any disciplinary~~ committee, a member of the Board, ~~or an employee of CME Group~~the Exchange or a person related to the investigation.

If an answer contains both an admission to one or more charges and a denial of one or more charges, the BCC Panel will consider the penalties which may be imposed for the admitted charges at the same time ~~that as~~ the charges denied by the respondent are considered.

408. CONDUCT OF HEARINGS

408.A. General

All disciplinary proceedings conducted before a panel of the BCC or before a hearing panel of the Board of Directors (collectively, "Panel") shall be conducted in accordance with the following procedures.

Hearings shall be fair. The respondent shall have the right to appear personally at the hearing and to be represented at his own cost by legal counsel or ~~a member of the Exchange, anyone~~ other than a member of ~~the charging or hearing any Exchange disciplinary~~ committee, a member of the Board, ~~a potential respondent or witness, or an employee of CME Group~~the Exchange or a person related to the investigation. The Panel or ~~the its chairman~~Hearing Panel Chair shall have the power to compel any Member to attend, testify and/or produce evidence in connection with the hearing.

The ~~BCC's counsel~~Exchange shall, in writing, notify the respondent of the names of the persons ~~on originally appointed to~~ the Panel at least seven days in advance of the originally scheduled hearing date. Parties to the hearing may request the ~~Panel chairman~~Hearing Panel Chair to strike any panelist for good cause shown. The ~~Panel chairman~~Hearing Panel Chair may then excuse such panelist and, if necessary to achieve quorum, direct that an alternate panelist be appointed.

In the event any panelist is added to achieve quorum, the Exchange shall provide all parties reasonable notice regarding the new panelist. The addition of a new panelist will not delay the scheduled hearing date unless the panelist is added less than five days in advance of the scheduled hearing and a party can demonstrate good cause for the requested delay.

408.B. Pre-Hearing

1. Procedural and Evidentiary Matters

The ~~Panel chairman~~Hearing Panel Chair may require a pre-hearing conference.

The ~~Panel chairman~~Hearing Panel Chair shall have the authority to decide all procedural and evidentiary matters and all pre-hearing motions, and the ~~chairman's~~Hearing Panel Chair's decision shall be final. Notwithstanding the preceding sentence, a motion to dismiss any or all of the charges may be granted only by the Panel. The Market Regulation Department may appeal to the Board any decision of the Panel to grant such a motion. If such an appeal is requested, the Board shall conduct a hearing on the matter in accordance with the procedures in Rule 411.

All pPre-hearing motions, with the exception of motions to dismiss, must be submitted in writing to the parties and BCC's counsel at least five days in advance of the scheduled hearing, and a copy shall also be provided to the Market Regulation Department. Motions to dismiss any or all of the charges must be submitted in writing to the BCC's counsel and to the Market Regulation Department at least 21 days in advance of the originally scheduled hearing date ~~and a copy shall also be provided to the Market Regulation Department~~. Upon receipt, the Market Regulation Department shall have seven days to submit a written response to the BCC's counsel, and shall provide a copy to the respondent. All pre-hearing motions shall be decided on the written papers of the parties, except where the Hearing Panel Chair determines, in his sole discretion, that oral arguments are necessary to resolve the pre-hearing motion.

Any pre-hearing motions not specifically covered by these rules must be filed at least five business days

~~in advance of the hearing.~~

Prior to the hearing, the respondent may examine all evidence which is to be relied upon by the Market Regulation Department during the hearing, ~~or which is relevant to the charges.~~ However, the respondent shall not be entitled to examine protected attorney work product, attorney-client communications or investigative work product, including, but not limited to, the investigation report and any exception reports. The respondent may obtain a copy of all such evidence, and any copying costs shall be the sole responsibility of the respondent. The Market Regulation Department is not required to produce or obtain any documents that are not in its possession. A respondent who seeks documents that are not in the possession of the Market Regulation Department may request the documents from their custodian. ~~The Market Regulation Department is not required to produce or obtain any documents that are not in its possession.~~ Upon a showing of good cause, the respondent may petition the ~~Panel chairman~~Hearing Panel Chair, in writing, for an order to compel~~compelling~~ the production of documents by a custodian, provided that the custodian is subject to the jurisdiction of the Exchange, the custodian has refused voluntarily to provide the documents, and the documents are relevant to the charges. The Market Regulation Department or the custodian may object, in whole or in part, to any such petition.

The issuance of charges shall not restrict the Market Regulation Department from further investigating the activity underlying the charges or investigating other potential violations by the respondent. Market Regulation reserves the right to modify the charging memorandum with the consent of the PCC.

2. Submission of Documents and Identification of Witnesses by Respondent

At least ~~140~~ days in advance of the hearing, the respondent shall submit to the Market Regulation Department copies of all books, documents, and records and other tangible evidence, upon which the respondent plans to rely at the hearing, and provide a list of ~~and make available for inspection by the Market Regulation Department, all books, records, the~~ names of witnesses that the respondent plans to call at the hearing and other tangible evidence upon which the respondent plans to rely at the hearing. The Panel may refuse to consider any books, records, documents or other tangible evidence which was not made available to, or witnesses whose names were not submitted to, the Market Regulation Department pursuant to this section.

408.C. Settlement Offers of Settlement

A respondent that is the subject of an investigation or ~~charges who is charged with a Rule violation(s)~~ may submit for consideration by the Panel a written offer of settlement in disposition of such investigation or charges. ~~However, the CHRC will determine whether to accept or reject any settlement offer with respect to charges issued by the CHRC submitted more than 14 days before a scheduled BCC hearing, pursuant to Rule 403.B.~~

A respondent may submit an offer of settlement ~~offer~~ without admitting or denying the Rule violations upon which the penalty is based; provided, however, that an offer must include a consent to entry of findings by the Panel regarding the conduct and Rule violations at issue and to the penalty to be imposed.

If the Market Regulation Department does not oppose the respondent's offer of settlement, the respondent's written offer of settlement and the Market Regulation Department's supporting statement shall be submitted to the Panel for consideration.

If the Market Regulation Department opposes the respondent's offer of settlement, the ~~a~~ respondent, following the issuance of any charges by the PCC, ~~the respondent~~ may submit a written unsupported offer of settlement for consideration by the Panel no less than ~~28-44~~ days in advance of the originally scheduled hearing date. If a respondent submits an unsupported offer less than ~~28-44~~ days before a scheduled hearing date, or after the hearing has commenced, the offer shall not be considered unless agreed upon by the parties. The Market Regulation Department shall be entitled to file a written response to an unsupported offer of settlement within 10 days of receiving the unsupported offer. In considering whether to accept the respondent's offer, the Panel shall examine the respondent's written offer of settlement and the Market Regulation Department's written opposition thereto. The respondent may not submit more than one unsupported offer of settlement. Notwithstanding the preceding sentence, a respondent may submit a single additional unsupported offer of settlement if the charging memorandum has been modified pursuant to Rule 408.B.1. subsequent to the BC Panel's consideration of an unsupported offer of settlement.

~~The A~~ respondent may withdraw an his offer of settlement at any time prior to final acceptance ~~of the offer~~ by the Panel. If the Panel accepts the offer, a written decision setting forth the Panel's findings and sanction shall be issued, and written notice of the decision shall be given to the respondent.

If the Panel rejects an the offer of settlement, the respondent will be notified of the rejection and ~~the offer~~ it will be deemed withdrawn. If an offer is withdrawn or rejected by the Panel, the respondent shall

not be deemed to have made any admissions by reason of the offer and shall not otherwise be prejudiced by having submitted the offer.

The ~~assigned Panel chairman~~Hearing Panel Chair may decline to convene the Panel to consider an offer of settlement~~offer~~. ~~Upon consent by the respondent, any hearing that follows a rejected settlement offer will be heard by the same Panel.~~Any subsequent offers of settlement shall be heard by the same Panel; however, alternate panelists may be appointed in the event of scheduling conflicts. Any contested hearing following an offer of settlement not accepted by the Panel will be heard by a new Panel.

In submitting an offer of settlement~~offer~~, the respondent waives his right to a contested hearing and to appeal the Panel's decision if the offer is accepted; the respondent also waives any claim of bias or prejudice on the part of the Panel.

If the offer of settlement is accepted, the BCC's decision shall be final on the date it is signed by the Hearing Panel Chair. In the case of an unsupported offer of settlement accepted by the Panel, the BCC's decision shall become the final decision of the Exchange after the appeal period has lapsed.

408.D. Hearings

The Market Regulation Department shall be a party to the hearing and shall present evidence in support of the charged Rule violation(s)~~on the charges~~. The Market Regulation Department and the members of the Panel may question any witness and examine all the evidence stipulated to or presented at the hearing. The respondent shall be entitled to appear personally, testify, produce evidence, call witnesses on his ~~own~~ behalf and cross-examine any witness. The Market Regulation Department bears the burden of establishing the basis for a finding of guilt on any charge by a preponderance of the evidence. Formal rules of evidence shall not apply.

All testimony and documents produced in connection with a disciplinary hearing shall be deemed non-public and confidential and shall not be disclosed except in connection with proceedings resulting from that hearing or as required by law. A recording or other substantially verbatim record of the hearing shall be made and become part of the record of the proceeding. If a respondent requests a transcript, he shall be solely responsible for the cost of producing the transcript.

A majority vote of the Panel is required for a finding of guilt. A respondent that is found not guilty shall not again be charged with or tried for the same underlying conduct. In the event of a finding of guilt, the Panel, in a separate sanctioning phase, may request additional information or must allow both parties to present arguments and information regarding ~~from the parties as to~~ the appropriate nature and amount of a sanction prior to determining such sanction. In the absence of exceptional circumstances, as determined by the ~~Panel chairman~~Hearing Panel Chair, the such argument sanctioning phase shall proceed immediately upon the conclusion of the evidence and determination of the committee.

The BCC's decision shall be final on the date it is signed by the Hearing Panel Chair. The BCC's decision shall become the final decision of the Exchange after the appeal period has lapsed.

408.E. Decisions

Promptly following a hearing, the respondent shall be issued a written decision of the Panel's findings, which shall include: the notice of charges (or a summary thereof); the answer to the charges, if any (or a summary thereof); a brief summary of the evidence produced at the hearing; a statement of findings and reasoned conclusions with respect to each charge, including the specific Rules which the respondent is found to have violated; a declaration of any penalty imposed and the effective date of such penalty; and the availability, if any, of an appeal of the decision within the Exchange or to the Commodity Futures Trading Commission.

409. SUMMARY PROCEEDINGS BEFORE THE FLOOR CONDUCT COMMITTEE

409.A. Jurisdiction

A member of the ~~Pit Committee, a member of the~~ Floor Conduct Committee, ~~or~~ a designated representative of the Market Regulation Department shall have the authority to issue charges against an individual with respect to trading infractions as set forth in Rule 514. A panel of the Floor Conduct Committee shall have authority to conduct summary proceedings with respect to charges under Rule 514.

Charges against an individual shall be issued by filing the appropriate forms with the Market Regulation Department, and by giving a copy ~~The Market Regulation Department will then serve to~~ the respondent with a copy of the charges.

409.B. Selection of the Panel

For proceedings before the Floor Conduct Committee, the Chief Regulatory Officer or his designee, in consultation with a Floor Conduct Committee Co-Chairman, shall select a panel consisting of three additional members of the Floor Conduct Committee, which may include other Co-Chairmen of the committee. The Chief Regulatory Officer shall endeavor to rotate the members serving on the panels.

No panelist may serve on the particular panel if he or any person, firm, or broker association with which he is affiliated has a personal, financial, or other direct interest in the matter under consideration.

409.C. Conduct of Summary Proceedings

A summary proceeding before the Floor Conduct Committee shall be conducted in a fair and impartial manner.

A summary proceeding before the Floor Conduct Committee shall take place as soon as practicable after the issuance of charges. The proceeding will not be recorded. The respondent shall be entitled to appear personally and answer the charges issued. Respondents and witnesses may not be represented by counsel at a summary proceeding. However, an employee without membership privileges who is a respondent may be represented by a single representative of his employer. A panel shall decide by a majority vote whether the individual is guilty of the violation or offense charged. If the accused individual is found guilty, a panel may impose fines in accordance with Exchange Rules. A witness who fails to appear at a summary proceeding after being directed to do so by the Chairman of the panel or by staff may be charged with a violation of Rule 432.

If a panel of the Floor Conduct Committee, by a majority vote, decides that the matter is of major importance or might warrant a penalty in excess of its own authority, the Chairman of the Panel shall refer the matter to the PCC and shall inform the individual of this referral in writing.

409.D. Appeals

An individual found guilty of an offense who receives a fine greater than \$54,000 may, within 10 days of the decision, file a written appeal of the decision with the Market Regulation Department. A written appeal that fails to specify the grounds for the appeal and the specific error or impropriety of the original decision shall be dismissed by the Chief Regulatory Officer. The Hearing Panel Chair may also allow the parties to file briefs in support of or in opposition to an appeal. The appeal shall be heard by a Panel of the BCC ("BCC Panel") whose decision shall be final. The appellant shall be entitled to be represented by counsel, appear personally before the BCC Panel and present evidence that he may have in support of his appeal. The BCC Panel shall not set aside, modify or amend the appealed decision unless it determines, by majority vote, that the decision was:

1. Arbitrary, capricious, or an abuse of the committee's discretion;
2. In excess of the committee's authority or jurisdiction; or
3. Based on a clearly erroneous application or interpretation of Exchange Rules.

410. ~~HEARINGS BEFORE A PANEL OF THE BOARD OF DIRECTORS~~[RESERVED]

~~Whenever a hearing is scheduled to be held before a hearing panel of the Board ("Panel"), the Chairman of the Board shall appoint a director to serve as the Panel chairman, who shall conduct the hearing, and two additional directors to serve on the Panel. One of these directors shall be a non-member. A majority decision by the Panel shall be considered the action of the Board as a whole.~~

~~This rule shall not create any right to a hearing before a Panel that is not otherwise provided for in other rules of the Exchange. The Chairman of the Board shall determine, in his sole discretion, whether sufficient grounds exist to hold a hearing with respect to any matter that is not addressed by other Exchange rules.~~

~~Each Panel that conducts a hearing or proceeding shall consist of directors that possess sufficiently diverse interests so as to ensure fairness. In a disciplinary matter, the hearing shall be conducted in accordance with the provisions of Rule 408.~~

~~No member of the Board may serve on a particular Panel if he participated on the charging committee or has a personal, financial or other direct interest in the matter under consideration or is a member of the same broker association as the respondent.~~

411. APPEAL TO A HEARING PANEL OF THE BOARD OF DIRECTORS

The Market Regulation Department may request an appeal to a hearing panel of the Board ("Appellate Panel") regarding a final decision of or sanction imposed by the BCC, or any refusal by the PCC to issue those charges requested by the Market Regulation Department, by filing a request for an appeal

with the Exchange Legal Department within 10 business days after receiving notice of such decision, sanction or refusal. Filing of a request for an appeal by the Market Regulation Department shall stay any decision that is appealed unless the Chairman of the Board or the ~~chairman of the BCC~~ Hearing Panel Chair from which the appeal is taken specifically directs that the decision is not stayed pending appeal.

A Member found guilty of an offense or otherwise aggrieved by a final decision of the BCC, may ~~, within 10 business days of being provided notice of any such decision, unless specifically prohibited,~~ request an appeal to an Appellate Panel provided that the decision assesses a monetary sanction greater than \$10,000 and/or an access denial or suspension of any membership privileges for greater than five business days against the Member. The request shall be filed with the Exchange's Legal Department within 10 business days after Notice of any such decision. Filing of a request for an appeal by a Member shall stay the decision appealed unless the Market Regulation Department objects to such a stay and the Chairman of the Board or the ~~chairman of the BCC~~ Hearing Panel Chair from which the appeal is taken specifically directs that the decision is not stayed pending appeal.

Upon receiving the written request for an appeal, the Appellate Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appellate Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant might be able to meet one of the three standards identified below that would permit the Appellate Panel to set aside, modify or amend the appealed decision or the refusal to issue charges. The Appellate Panel's determination shall be based solely upon the written request and, in the case of an appeal of a BCC decision, any written response by the opposing party. The Appellate Panel's determination of whether to hold a hearing on an appeal shall be final.

If the Appellate Panel grants the appellant's request for a hearing, the appeal shall be heard within 60 days of the filing of the request for an appeal, unless the chairman of the Appellate Panel determines that good cause for an extension has been shown.

The appellate hearing shall be limited to the record from the appealed proceeding. The Appellate Panel shall not entertain any new evidence or new legal theory not raised in the prior proceeding except upon a clear showing by the appellant that such new evidence or new legal theory did not exist or was not ascertainable by due diligence at the time of the proceeding, and that there was insufficient time within the intervening period prior to the hearing of the Appellate Panel for the appellant to bring such new evidence or legal theory to the attention of the BCC or the PCC, as applicable. The chairman of the Appellate Panel shall allow the filing of briefs in connection with the appeal of a decision of the BCC. The Appellate Panel shall review the investigation report in connection with the appeal of a refusal by the PCC to issue those charges requested by the Market Regulation Department.

No member of the Board may serve on a particular Appellate Panel if he participated on the PCC Panel that issued, or considered issuing, the charges, or on the BCC Panel that issued the decision, or if he has a personal, financial, or other direct interest in the matter under consideration or is a member of the same broker association as the respondent or potential respondent.

The Chairman of the Board shall appoint a director to serve as the Appellate Panel chairman, who shall conduct the hearing, and two additional directors to serve on the Appellate Panel. One of these directors shall be a non-member. Any party to the appeal may request the Chairman of the Board to strike any director for good cause shown. The Chairman of the Board may then excuse such director and shall then select an alternate director from the Board. An Appellate Panel shall consist of directors that possess sufficiently diverse interests so as to ensure fairness.

The Appellate Panel shall not set aside, modify or amend the appealed decision or the refusal to issue charges unless it determines, by a majority vote, that the decision or the refusal to issue charges was:

- A. Arbitrary, capricious, or an abuse of the committee's discretion;
- B. In excess of the committee's authority or jurisdiction; or
- C. Based on a clearly erroneous application or interpretation of Exchange Rules.

In the case of an appeal of a disciplinary decision, the Appellate Panel shall promptly issue a written decision which shall include a statement of findings with respect to the decision from which the appeal was taken and the Appellate Panel's determination that such initial decision is affirmed, set aside, modified or amended in whole or in part and, with respect to any initial decision that is not affirmed in whole, the Appellate Panel's determination of the order or penalty to be imposed, if any, ~~and the effective date.~~ The decision of the Appellate Panel shall be deemed a decision of the Board and shall be a final decision of the Exchange.

In the case of an appeal by the Market Regulation Department of a decision by the PCC not to issue

those charges requested by the Market Regulation Department, the Appellate Panel shall either affirm or set aside the decision of the PCC. If the decision is set aside, the Appellate Panel shall remand the matter to the PCC for the issuance of charges. If the decision is affirmed, the Appellate Panel shall direct that no further action be taken and such decision shall be deemed a decision of the Board and shall be a final decision of the Exchange.

In the case of an appeal by the Market Regulation Department of a decision by the BCC to grant a respondent's motion to dismiss any or all of the charges, the Appellate Panel shall either affirm or set aside the decision of the BCC with respect to each dismissed charge. If the decision is set aside with respect to any dismissed charge, such charge shall be deemed to be reinstated and disciplinary proceedings with respect to all of the charges shall be conducted before a different panel of the BCC pursuant to the procedures in Rule 408. If the decision is affirmed with respect to any dismissed charge, the Panel shall direct that no further action be taken with respect to such dismissed charge and such decision shall be deemed a decision of the Board and shall be a final decision of the Exchange.

This Rule shall not apply to appeals of Arbitration Committee decisions, which shall be governed by the Rules contained in Chapter 6.

412. **SUMMARY ACTIONS**

In cases of action taken against a Member pursuant to Rules 976 or 977, the Member affected shall be notified in writing of such action. The notice shall state: the action taken; the reason for the action; and the effective time, date and duration thereof.

The Member may, within two business days following receipt of notice of action taken, request a hearing before a hearing panel of the Board ("Panel") ~~pursuant to Rule 410~~. The hearing shall be conducted within 60 days of such request, in accordance with the requirements of Rule 408, unless the ~~chairman of the Panel~~ Hearing Panel Chair determines that good cause for an extension has been shown, but shall not stay any action taken pursuant to Rules 976 or 977.

Following the hearing, if any, the Panel shall cause to be prepared a written decision containing: a description of the summary action; the reasons for such action; a description of the evidence produced at the hearing; findings and conclusions; a determination that the summary action should be affirmed, set aside, modified or amended and the reasons therefor; and the effective date and duration, if any, of subsequent or continuing actions. The Panel shall not set aside, modify or amend the summary action taken against a Member unless it determines, by a majority vote, that the summary action taken was:

- A. Arbitrary, capricious, or an abuse of the committee's discretion; or
- B. In excess of the committee's authority or jurisdiction.

413. **SUMMARY ACCESS DENIAL ACTIONS**

413.A. **Authority to Deny Access**

The Chief Regulatory Officer or his delegate, upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the best interests of the Exchange, may order that Members ~~may be:~~ (1) denied access to any or all CME Group markets; (2) denied access to the Globex platform; (3) denied access to any other electronic trading or clearing platform owned or controlled by CME Group; or (4) immediately removed from any trading floor owned or controlled by CME Group, ~~by the Chief Regulatory Officer or his delegate upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the best interests of the Exchange.~~

Non-members may be denied access to any or all CME Group markets or be denied access to the Globex platform or any other electronic trading or clearing platform owned or controlled by CME Group by the Chief Regulatory Officer or his delegate upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the best interests of the Exchange.

413.B. **Notice**

Non-members are only entitled to a hearing and representation if they submit to the Exchange's jurisdiction for the matter at hand as well as any pending and all future actions related to the underlying conduct that gave rise to the summary access denial.~~ The Panel shall conduct a de novo hearing solely on the issue of the denial of access in accordance with the procedures in Rule 408. Filing of a notice of intent pursuant to Rule 413.B. shall not stay the Chief Regulatory Officer's decision to deny access.

413.D. Duration of Access Denial

Any decision to deny access pursuant to Rule 413.A. or Rule 413.C. shall not remain in effect for more than 60 days unless the Chief Regulatory Officer or his delegate, upon further consideration of the circumstances that resulted in a prior access denial action, provides written Notice to the ~~Member-party that his advising that the Member's~~ access will be denied for an additional period of time not to exceed 60 days ~~and the .—Such—~~Notice shall comports with the provisions of Rule 413.B. ~~Any subsequent extension of the access denial pursuant to this Rule must be mutually agreed to by the party and the Chief Regulatory Officer or his delegate. In the absence of such mutual agreement, the Market Regulation Department may petition the BCC to take emergency action pursuant to Rule 402.C.~~ At any time, a Member may petition the BCC to reconsider ~~the-an~~ access denial ~~pursuant to this Rule~~ based upon materially changed circumstances.

A Pit Committee member shall be deemed to have a financial interest if the decision is likely to have an immediate financial impact on a transaction for his account or an account in which he has an interest or if the decision is likely to impact on liability for filling an order for which he or a person with whom he has a financial or business relationship was responsible.

405. FLOOR CONDUCT COMMITTEE

The Floor Conduct Committee shall be responsible for resolving pit space disputes that are not resolved by the Pit Committee. The committee shall conduct summary proceedings for alleged violations of Rule 514. 406. PROBABLE CAUSE COMMITTEE

The Probable Cause Committee ("PCC") shall receive and review investigation reports from the Market Regulation Department when the Market Regulation Department has reasonable cause to believe an offense has occurred. The PCC shall act through a Panel comprised of a ~~chairman~~Hearing Panel Chair, two ~~three~~ Exchange members or employees of member firms and ~~two ~~three~~ non-members. ~~Of the Exchange members appointed to a Panel, a majority~~At least one of the Exchange members or employees of member firms must be from the contract market where the case originated. ~~Each Panel shall consist of panelists who possess sufficiently diverse interests so as to ensure fairness.~~

The PCC shall have the power to compel any Member to appear before it and to produce all books and records relevant to the subject matter under investigation. No Member or subject of an investigation shall have the right to appear before the PCC or make any written submission on his behalf.

A Panel shall endeavor to review an investigation report prepared by the Market Regulation Department within 30 days of receipt of a report the Panel deems to be complete. The Panel shall, by majority vote, take one of the following actions:

- A. If the Panel determines that a reasonable basis exists for finding that a violation of an Exchange Rule may have occurred which warrants disciplinary action, it shall issue appropriate charges.
- B. If the Panel determines that a reasonable basis exists for finding that a violation of an Exchange Rule may have occurred, but that the issuance of charges is unwarranted, it shall direct that a warning letter be issued.

If the Panel refuses to issue any charge requested by the Market Regulation Department, the Panel shall explain the reason(s) for such refusal. The Market Regulation Department may appeal to the Board any refusal by a Panel to issue those charges requested by the Market Regulation Department. If such an appeal is requested, the Board shall conduct a hearing on the matter in accordance with the procedures in Rule 411.

No person shall serve on the PCC unless he has agreed in writing that he will not publish, divulge or make known in any manner, any facts or information regarding the business of any person or entity or any other information which may come to his attention in his official capacity as a member of the PCC, except when reporting to the Board or to a committee concerned with such information or to the Legal Department or Market Regulation Department, when requested by the CFTC or other governmental agency or when compelled to testify in any judicial or administrative proceeding.

All information, records, materials and documents provided to the PCC and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public and confidential and shall not be disclosed, except as necessary to further an Exchange investigation or as required by law.

407. ~~INITIAL~~ INVESTIGATION, ASSIGNMENT FOR HEARING AND NOTICE OF CHARGES

The Market Regulation Department shall investigate potential or alleged Rule violations. Investigations and all information and documents obtained during the course of an investigation shall be treated as non-public and confidential and shall not be disclosed by any party, except as necessary to further an Exchange investigation or as required by law. The Market Regulation Department is authorized to take recorded interviews ~~of Members~~ pursuant to an Exchange investigation. Parties and witnesses being interviewed shall have the right to representation, at their own cost, by legal counsel or anyone other

than a member of any Exchange disciplinary committee, a member of the Board, an employee of CME Group or a person related to the investigation.

The Market Regulation Department may take oral depositions of witnesses during an investigation. The Member under investigation shall be given at least five days written notice of the time of the deposition and place where the witness will be deposed, which may be at any location within the United States. The Member under investigation shall have the right to be present in person or by authorized representative at the oral deposition, with right of cross-examination. All oral depositions of witnesses shall be taken under oath, before an officer qualified in the place of the deposition to administer oaths, and the complete testimony of the witnesses shall be transcribed by such officer or by a person under his supervision. Oral depositions taken in accordance with this Rule shall be admissible in evidence at any hearing of the Board of Directors or a committee, reserving to the Member under investigation the right to object at the hearing to the relevancy or materiality of the testimony contained therein.

Upon conclusion of an investigation, the Market Regulation Department may issue a warning letter to ~~the Member under any party as a result of the~~ investigation. Such letter shall not constitute either the finding of a Rule violation or a penalty.

~~If the Market Regulation Department has reasonable cause to believe an offense has occurred which should be dealt with by a panel of the BCC ("BCC Panel"), it shall request a panel of the PCC ("PCC Panel") to convene to consider its recommendation for charges. Production of the investigation report to a PCC Panel shall not constitute a waiver of the protected and/or privileged nature of such report.~~ The Market Regulation Department's presentation to the PCC Panel shall not constitute an ex parte communication as described in Rule 417.

407.A. Investigation File

The Market Regulation Department shall maintain a file once an investigation is initiated. The file shall include any materials in the possession of the Market Regulation Department that may be relevant to the conduct being investigated. ~~In any matter in which a PCC Panel issues charges, the investigation file shall include an investigation report prepared by the Market Regulation Department. A Member charged with a violation of the Rules shall have the right to review the evidence in the investigation file relevant to the issued charges, provided, however, that protected attorney work product, attorney-client communications and investigative work product, including, but not limited to, the investigation report and any exception reports, are neither discoverable by a respondent in disciplinary proceedings nor subject to review by a respondent as part of the investigation file. Production of the investigation report to a PCC Panel shall not constitute a waiver of the protected and/or privileged nature of such report. In its sole discretion, the Market Regulation Department may assign the costs of copying and producing evidence in an investigation file to the Member requesting the evidence. A member may petition the assigned BCC Hearing Panel Chair in writing, pursuant to Rule 408.B.1., for an order compelling the production of evidence not contained in the investigation file that it reasonably believes is relevant to the issued charges. The Market Regulation Department shall have a reasonable opportunity to respond, in writing, to the Member's motion.~~

407.B. Notice of Charges; Opportunity for Hearing

Where the PCC has issued charges for an alleged Rule violation, the Market Regulation Department shall issue a charging memorandum to the respondent with a brief statement of factual allegations that identifies the charged Rule violation(s). In addition, the Market Regulation Department will send a notice of charges to the respondent. The notice of charges shall set forth ~~the alleged misconduct and~~ the Rule(s) alleged to have been violated, and shall advise the respondent regarding the submission of a responsive answer to each charge in accordance with Rule 407.C. Further, the notice of charges shall advise the respondent that the matter will be heard by a BCC Panel and of the time and place for the hearing, if known. The respondent shall also be advised of his right to appear personally at the hearing and of his right to be represented, at his own cost, by legal counsel or a member of the Exchange, other than a member of ~~any Exchange disciplinary, the charging or hearing~~ committee, a member of the Board or an employee of ~~CME Group, the Exchange~~.

A respondent may waive his right to a hearing within 40-21 days of receipt of the notice of charges. A respondent who elects to waive his right to a hearing on the charges will be notified of the date on which the BCC Panel will render its decision. Upon a finding of guilt on any charge, the BCC Panel will promptly determine what penalties, if any, are to be imposed and their effective date. A respondent who has waived his right to a hearing and/or admitted the charges against him will be advised of his right to participate in the hearing solely with respect to the penalty.

407.C. Answer to Charges

The respondent shall have 21 days after notice to submit a written answer to the charges. Upon a

showing of good cause, the BCC ~~Panel chairman~~Hearing Panel Chair may extend the period of time in which the respondent is required to submit his answer. The answer must state that the respondent admits, denies, or lacks sufficient knowledge to admit or deny each charge. A statement of lack of sufficient knowledge shall be deemed a denial. Pursuant to a written request by the Market Regulation Department, aAny charge not denied in whole or in part by the respondent shall be deemed admitted by the Hearing Panel Chair, and the failure to file a timely answer may be deemed an admission to the charges. If all the charges are admitted, the respondent shall be deemed to waive his right to a hearing on the charges and the BCC Panel shall find that the violations alleged in the notice have been committed. The BCC Panel will determine the penalty, if any, to be imposed at a hearing, due notice of which will be provided to the respondent. The respondent shall be advised of his right to appear personally at the penalty hearing and advised of his right to be represented at his own cost by legal counsel or ~~anyone~~another member of the Exchange, other than a member of ~~the charging or hearing any disciplinary~~ committee, a member of the Board ~~or~~, an employee of CME Group~~the Exchange or a person related to the investigation~~.

If an answer contains both an admission to one or more charges and a denial of one or more charges, the BCC Panel will consider the penalties which may be imposed for the admitted charges at the same time ~~that as~~ the charges denied by the respondent are considered.

408. CONDUCT OF HEARINGS

408.A. General

All disciplinary proceedings conducted before a panel of the BCC or before a hearing panel of the Board of Directors (collectively, "Panel") shall be conducted in accordance with the following procedures.

Hearings shall be fair. The respondent shall have the right to appear personally at the hearing and to be represented at his own cost by legal counsel or ~~a member of the Exchange, anyone~~ other than a member of ~~the charging or hearing any Exchange disciplinary~~ committee, a member of the Board, ~~a potential respondent or witness, or~~ an employee of CME Group~~the Exchange or a person related to the investigation~~. The Panel or ~~the its chairman~~Hearing Panel Chair shall have the power to compel any Member to attend, testify and/or produce evidence in connection with the hearing.

The ~~BCC's counsel~~Exchange shall, in writing, notify the respondent of the names of the persons ~~on~~ originally appointed to the Panel at least seven days in advance of the originally scheduled hearing date. Parties to the hearing may request the ~~Panel chairman~~Hearing Panel Chair to strike any panelist for good cause shown. The ~~Panel chairman~~Hearing Panel Chair may then excuse such panelist and, if necessary to achieve quorum, direct that an alternate panelist be appointed.

In the event any panelist is added to achieve quorum, the Exchange shall provide all parties reasonable notice regarding the new panelist. The addition of a new panelist will not delay the scheduled hearing date unless the panelist is added less than five days in advance of the scheduled hearing and a party can demonstrate good cause for the requested delay.

408.B. Pre-Hearing

1. Procedural and Evidentiary Matters

The ~~Panel chairman~~Hearing Panel Chair may require a pre-hearing conference.

The ~~Panel chairman~~Hearing Panel Chair shall have the authority to decide all procedural and evidentiary matters and all pre-hearing motions, and the ~~chairman's~~Hearing Panel Chair's decision shall be final. Notwithstanding the preceding sentence, a motion to dismiss any or all of the charges may be granted only by the Panel. The Market Regulation Department may appeal to the Board any decision of the Panel to grant such a motion. If such an appeal is requested, the Board shall conduct a hearing on the matter in accordance with the procedures in Rule 411.

All pPre-hearing motions, with the exception of motions to dismiss, must be submitted in writing to the parties and BCC's counsel at least five days in advance of the scheduled hearing, and a copy shall also be provided to the Market Regulation Department. Motions to dismiss any or all of the charges must be submitted in writing to the BCC's counsel and to the Market Regulation Department at least 21 days in advance of the originally scheduled hearing date ~~and a copy shall also be provided to the Market Regulation Department~~. Upon receipt, the Market Regulation Department shall have seven days to submit a written response to the BCC's counsel, and shall provide a copy to the respondent. All pre-hearing motions shall be decided on the written papers of the parties, except where the Hearing Panel Chair determines, in his sole discretion, that oral arguments are necessary to resolve the pre-hearing motion.

Any pre-hearing motions not specifically covered by these rules must be filed at least five business days

~~in advance of the hearing.~~

Prior to the hearing, the respondent may examine all evidence which is to be relied upon by the Market Regulation Department during the hearing, ~~or which is relevant to the charges.~~ However, the respondent shall not be entitled to examine protected attorney work product, attorney-client communications or investigative work product, including, but not limited to, the investigation report and any exception reports. The respondent may obtain a copy of all such evidence, and any copying costs shall be the sole responsibility of the respondent. The Market Regulation Department is not required to produce or obtain any documents that are not in its possession. A respondent who seeks documents that are not in the possession of the Market Regulation Department may request the documents from their custodian. ~~The Market Regulation Department is not required to produce or obtain any documents that are not in its possession.~~ Upon a showing of good cause, the respondent may petition the ~~Panel chairman~~Hearing Panel Chair, in writing, for an order to compel~~compelling~~ the production of documents by a custodian, provided that the custodian is subject to the jurisdiction of the Exchange, the custodian has refused voluntarily to provide the documents, and the documents are relevant to the charges. The Market Regulation Department or the custodian may object, in whole or in part, to any such petition.

The issuance of charges shall not restrict the Market Regulation Department from further investigating the activity underlying the charges or investigating other potential violations by the respondent. Market Regulation reserves the right to modify the charging memorandum with the consent of the PCC.

2. Submission of Documents and Identification of Witnesses by Respondent

At least ~~140~~ days in advance of the hearing, the respondent shall submit to the Market Regulation Department copies of all books, documents, and records and other tangible evidence, upon which the respondent plans to rely at the hearing, and provide a list of ~~and make available for inspection by the Market Regulation Department, all books, records, the~~ names of witnesses that the respondent plans to call at the hearing and other tangible evidence upon which the respondent plans to rely at the hearing. The Panel may refuse to consider any books, records, documents or other tangible evidence which was not made available to, or witnesses whose names were not submitted to, the Market Regulation Department pursuant to this section.

408.C. Settlement Offers of Settlement

A respondent that is the subject of an investigation or ~~charges who is charged with a Rule violation(s)~~ may submit for consideration by the Panel a written offer of settlement in disposition of such investigation or charges. ~~However, the CHRC will determine whether to accept or reject any settlement offer with respect to charges issued by the CHRC submitted more than 14 days before a scheduled BCC hearing, pursuant to Rule 403.B.~~

A respondent may submit an offer of settlement~~offer~~ without admitting or denying the Rule violations upon which the penalty is based; provided, however, that an offer must include a consent to entry of findings by the Panel regarding the conduct and Rule violations at issue and to the penalty to be imposed.

If the Market Regulation Department does not oppose the respondent's offer of settlement, the respondent's written offer of settlement and the Market Regulation Department's supporting statement shall be submitted to the Panel for consideration.

If the Market Regulation Department opposes the respondent's offer of settlement, the ~~a respondent,~~ following the issuance of any charges by the PCC, ~~the respondent~~ may submit a written unsupported offer of settlement for consideration by the Panel no less than ~~28-44~~ days in advance of the originally scheduled hearing date. If a respondent submits an unsupported offer less than ~~28-44~~ days before a scheduled hearing date, or after the hearing has commenced, the offer shall not be considered unless agreed upon by the parties. The Market Regulation Department shall be entitled to file a written response to an unsupported offer of settlement within 10 days of receiving the unsupported offer. In considering whether to accept the respondent's offer, the Panel shall examine the respondent's written offer of settlement and the Market Regulation Department's written opposition thereto. The respondent may not submit more than one unsupported offer of settlement. Notwithstanding the preceding sentence, a respondent may submit a single additional unsupported offer of settlement if the charging memorandum has been modified pursuant to Rule 408.B.1. subsequent to the BC Panel's consideration of an unsupported offer of settlement.

~~The A~~ respondent may withdraw an his~~offer~~ of settlement at any time prior to final acceptance ~~of the offer~~ by the Panel. If the Panel accepts the offer, a written decision setting forth the Panel's findings and sanction shall be issued, and written notice of the decision shall be given to the respondent.

If the Panel rejects an the~~offer~~ of settlement, the respondent will be notified of the rejection and ~~the offer~~ will be deemed withdrawn. If an offer is withdrawn or rejected by the Panel, the respondent shall

not be deemed to have made any admissions by reason of the offer and shall not otherwise be prejudiced by having submitted the offer.

The ~~assigned Panel chairman~~Hearing Panel Chair may decline to convene the Panel to consider an offer of settlement~~offer~~. ~~Upon consent by the respondent, any hearing that follows a rejected settlement offer will be heard by the same Panel.~~Any subsequent offers of settlement shall be heard by the same Panel; however, alternate panelists may be appointed in the event of scheduling conflicts. Any contested hearing following an offer of settlement not accepted by the Panel will be heard by a new Panel.

In submitting an offer of settlement~~offer~~, the respondent waives his right to a contested hearing and to appeal the Panel's decision if the offer is accepted; the respondent also waives any claim of bias or prejudice on the part of the Panel.

If the offer of settlement is accepted, the BCC's decision shall be final on the date it is signed by the Hearing Panel Chair. In the case of an unsupported offer of settlement accepted by the Panel, the BCC's decision shall become the final decision of the Exchange after the appeal period has lapsed.

408.D. Hearings

The Market Regulation Department shall be a party to the hearing and shall present evidence in support of the charged Rule violation(s)~~on the charges~~. The Market Regulation Department and the members of the Panel may question any witness and examine all the evidence stipulated to or presented at the hearing. The respondent shall be entitled to appear personally, testify, produce evidence, call witnesses on his ~~own~~ behalf and cross-examine any witness. The Market Regulation Department bears the burden of establishing the basis for a finding of guilt on any charge by a preponderance of the evidence. Formal rules of evidence shall not apply.

All testimony and documents produced in connection with a disciplinary hearing shall be deemed non-public and confidential and shall not be disclosed except in connection with proceedings resulting from that hearing or as required by law. A recording or other substantially verbatim record of the hearing shall be made and become part of the record of the proceeding. If a respondent requests a transcript, he shall be solely responsible for the cost of producing the transcript.

A majority vote of the Panel is required for a finding of guilt. A respondent that is found not guilty shall not again be charged with or tried for the same underlying conduct. In the event of a finding of guilt, the Panel, in a separate sanctioning phase, may request additional information or must allow both parties to present arguments and information regarding ~~from the parties as to~~ the appropriate nature and amount of a sanction prior to determining such sanction. In the absence of exceptional circumstances, as determined by the ~~Panel chairman~~Hearing Panel Chair, the such argument sanctioning phase shall proceed immediately upon the conclusion of the evidence and determination of the committee.

The BCC's decision shall be final on the date it is signed by the Hearing Panel Chair. The BCC's decision shall become the final decision of the Exchange after the appeal period has lapsed.

408.E. Decisions

Promptly following a hearing, the respondent shall be issued a written decision of the Panel's findings, which shall include: the notice of charges (or a summary thereof); the answer to the charges, if any (or a summary thereof); a brief summary of the evidence produced at the hearing; a statement of findings and reasoned conclusions with respect to each charge, including the specific Rules which the respondent is found to have violated; a declaration of any penalty imposed and the effective date of such penalty; and the availability, if any, of an appeal of the decision within the Exchange or to the Commodity Futures Trading Commission.

409. SUMMARY PROCEEDINGS BEFORE THE FLOOR CONDUCT COMMITTEE

409.A. Jurisdiction

A member of the ~~Pit Committee, a member of the~~ Floor Conduct Committee, ~~or~~ a designated representative of the Market Regulation Department shall have the authority to issue charges against an individual with respect to trading infractions as set forth in Rule 514. A panel of the Floor Conduct Committee shall have authority to conduct summary proceedings with respect to charges under Rule 514.

Charges against an individual shall be issued by filing the appropriate forms with the Market Regulation Department, and by giving a copy ~~The Market Regulation Department will then serve to~~ the respondent with a copy of the charges.

409.B. Selection of the Panel

For proceedings before the Floor Conduct Committee, the Chief Regulatory Officer or his designee, in consultation with a Floor Conduct Committee Co-Chairman, shall select a panel consisting of three additional members of the Floor Conduct Committee, which may include other Co-Chairmen of the committee. The Chief Regulatory Officer shall endeavor to rotate the members serving on the panels.

No panelist may serve on the particular panel if he or any person, firm, or broker association with which he is affiliated has a personal, financial, or other direct interest in the matter under consideration.

409.C. Conduct of Summary Proceedings

A summary proceeding before the Floor Conduct Committee shall be conducted in a fair and impartial manner.

A summary proceeding before the Floor Conduct Committee shall take place as soon as practicable after the issuance of charges. The proceeding will not be recorded. The respondent shall be entitled to appear personally and answer the charges issued. Respondents and witnesses may not be represented by counsel at a summary proceeding. However, an employee without membership privileges who is a respondent may be represented by a single representative of his employer. A panel shall decide by a majority vote whether the individual is guilty of the violation or offense charged. If the accused individual is found guilty, a panel may impose fines in accordance with Exchange Rules. A witness who fails to appear at a summary proceeding after being directed to do so by the Chairman of the panel or by staff may be charged with a violation of Rule 432.

If a panel of the Floor Conduct Committee, by a majority vote, decides that the matter is of major importance or might warrant a penalty in excess of its own authority, the Chairman of the Panel shall refer the matter to the PCC and shall inform the individual of this referral in writing.

409.D. Appeals

An individual found guilty of an offense who receives a fine greater than \$54,000 may, within 10 days of the decision, file a written appeal of the decision with the Market Regulation Department. A written appeal that fails to specify the grounds for the appeal and the specific error or impropriety of the original decision shall be dismissed by the Chief Regulatory Officer. The Hearing Panel Chair may also allow the parties to file briefs in support of or in opposition to an appeal. The appeal shall be heard by a Panel of the BCC ("BCC Panel") whose decision shall be final. The appellant shall be entitled to be represented by counsel, appear personally before the BCC Panel and present evidence that he may have in support of his appeal. The BCC Panel shall not set aside, modify or amend the appealed decision unless it determines, by majority vote, that the decision was:

1. Arbitrary, capricious, or an abuse of the committee's discretion;
2. In excess of the committee's authority or jurisdiction; or
3. Based on a clearly erroneous application or interpretation of Exchange Rules.

410. ~~[RESERVED] HEARINGS BEFORE A HEARING PANEL OF THE BOARD OF DIRECTORS~~

~~Whenever a hearing is scheduled to be held before a hearing panel of the Board ("Panel"), the Chairman of the Board shall appoint a director to serve as the Panel chairman, who shall conduct the hearing, and two additional directors to serve on the Panel. One of these directors shall be a non-member. A majority decision by the Panel shall be considered the action of the Board as a whole.~~

~~This rule shall not create any right to a hearing before a Panel that is not otherwise provided for in other rules of the Exchange. The Chairman of the Board shall determine, in his sole discretion, whether sufficient grounds exist to hold a hearing with respect to any matter that is not addressed by other Exchange rules.~~

~~Each Panel that conducts a hearing or proceeding shall consist of directors that possess sufficiently diverse interests so as to ensure fairness. In a disciplinary matter, the hearing shall be conducted in accordance with the provisions of Rule 408.~~

~~No member of the Board may serve on a particular Panel if he participated on the charging committee or has a personal, financial or other direct interest in the matter under consideration or is a member of the same broker association as the respondent.~~

411. APPEAL TO A HEARING PANEL OF THE BOARD OF DIRECTORS

The Market Regulation Department may request an appeal to a hearing panel of the Board ("Appellate Panel") regarding a final decision of or sanction imposed by the BCC, or any refusal by the PCC to issue those charges requested by the Market Regulation Department, by filing a request for an appeal with the Exchange Legal Department within 10 business days after receiving notice of such decision,

sanction or refusal. Filing of a request for an appeal by the Market Regulation Department shall stay any decision that is appealed unless the Chairman of the Board or the ~~chairman of the BCC~~ Hearing Panel Chair from which the appeal is taken specifically directs that the decision is not stayed pending appeal.

A Member found guilty of an offense or otherwise aggrieved by a final decision of the BCC, may ~~within 10 business days of being provided notice of any such decision, unless specifically prohibited,~~ request an appeal to an Appellate Panel provided that the decision assesses a monetary sanction greater than \$10,000 and/or an access denial or suspension of any membership privileges for greater than five business days against the Member. The request shall be filed with the Exchange's Legal Department within 10 business days after Notice of any such decision. Filing of a request for an appeal by a Member shall stay the decision appealed unless the Market Regulation Department objects to such a stay and the Chairman of the Board or the ~~chairman of the BCC~~ Hearing Panel Chair from which the appeal is taken specifically directs that the decision is not stayed pending appeal.

Upon receiving the written request for an appeal, the Appellate Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appellate Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant might be able to meet one of the three standards identified below that would permit the Appellate Panel to set aside, modify or amend the appealed decision or the refusal to issue charges. The Appellate Panel's determination shall be based solely upon the written request and, in the case of an appeal of a BCC decision, any written response by the opposing party. The Appellate Panel's determination of whether to hold a hearing on an appeal shall be final.

If the Appellate Panel grants the appellant's request for a hearing, the appeal shall be heard within 60 days of the filing of the request for an appeal, unless the chairman of the Appellate Panel determines that good cause for an extension has been shown.

The appellate hearing shall be limited to the record from the appealed proceeding. The Appellate Panel shall not entertain any new evidence or new legal theory not raised in the prior proceeding except upon a clear showing by the appellant that such new evidence or new legal theory did not exist or was not ascertainable by due diligence at the time of the proceeding, and that there was insufficient time within the intervening period prior to the hearing of the Appellate Panel for the appellant to bring such new evidence or legal theory to the attention of the BCC or the PCC, as applicable. The chairman of the Appellate Panel shall allow the filing of briefs in connection with the appeal of a decision of the BCC. The Appellate Panel shall review the investigation report in connection with the appeal of a refusal by the PCC to issue those charges requested by the Market Regulation Department.

No member of the Board may serve on a particular Appellate Panel if he participated on the PCC Panel that issued, or considered issuing, the charges, or on the BCC Panel that issued the decision, or if he has a personal, financial, or other direct interest in the matter under consideration or is a member of the same broker association as the respondent or potential respondent.

The Chairman of the Board shall appoint a director to serve as the Appellate Panel chairman, who shall conduct the hearing, and two additional directors to serve on the Appellate Panel. One of these directors shall be a non-member. Any party to the appeal may request the Chairman of the Board to strike any director for good cause shown. The Chairman of the Board may then excuse such director and shall then select an alternate director from the Board. An Appellate Panel shall consist of directors that possess sufficiently diverse interests so as to ensure fairness.

The Appellate Panel shall not set aside, modify or amend the appealed decision or the refusal to issue charges unless it determines, by a majority vote, that the decision or the refusal to issue charges was:

- A. Arbitrary, capricious, or an abuse of the committee's discretion;
- B. In excess of the committee's authority or jurisdiction; or
- C. Based on a clearly erroneous application or interpretation of Exchange Rules.

In the case of an appeal of a disciplinary decision, the Appellate Panel shall promptly issue a written decision which shall include a statement of findings with respect to the decision from which the appeal was taken and the Appellate Panel's determination that such initial decision is affirmed, set aside, modified or amended in whole or in part and, with respect to any initial decision that is not affirmed in whole, the Appellate Panel's determination of the order or penalty to be imposed, if any, ~~and the effective date.~~ The decision of the Appellate Panel shall be deemed a decision of the Board and shall be a final decision of the Exchange.

In the case of an appeal by the Market Regulation Department of a decision by the PCC not to issue those charges requested by the Market Regulation Department, the Appellate Panel shall either affirm

or set aside the decision of the PCC. If the decision is set aside, the Appellate Panel shall remand the matter to the PCC for the issuance of charges. If the decision is affirmed, the Appellate Panel shall direct that no further action be taken and such decision shall be deemed a decision of the Board and shall be a final decision of the Exchange.

In the case of an appeal by the Market Regulation Department of a decision by the BCC to grant a respondent's motion to dismiss any or all of the charges, the Appellate Panel shall either affirm or set aside the decision of the BCC with respect to each dismissed charge. If the decision is set aside with respect to any dismissed charge, such charge shall be deemed to be reinstated and disciplinary proceedings with respect to all of the charges shall be conducted before a different panel of the BCC pursuant to the procedures in Rule 408. If the decision is affirmed with respect to any dismissed charge, the Panel shall direct that no further action be taken with respect to such dismissed charge and such decision shall be deemed a decision of the Board and shall be a final decision of the Exchange.

This Rule shall not apply to appeals of Arbitration Committee decisions, which shall be governed by the Rules contained in Chapter 6.

412. **SUMMARY ACTION~~S~~**

In cases of action taken against a Member pursuant to Rules 976 or 977, the Member affected shall be notified in writing of such action. The notice shall state: the action taken; the reason for the action; and the effective time, date and duration thereof.

The Member may, within two business days following receipt of notice of action taken, request a hearing before a hearing panel of the Board ("Panel")~~pursuant to Rule 410~~. The hearing shall be conducted within 60 days of such request, in accordance with the requirements of Rule 408, unless the ~~chairman of the Panel~~Hearing Panel Chair determines that good cause for an extension has been shown, but shall not stay any action taken pursuant to Rules 976 or 977.

Following the hearing, if any, the Panel shall cause to be prepared a written decision containing: a description of the summary action; the reasons for such action; a description of the evidence produced at the hearing; findings and conclusions; a determination that the summary action should be affirmed, set aside, modified or amended and the reasons therefor; and the effective date and duration, if any, of subsequent or continuing actions. The Panel shall not set aside, modify or amend the summary action taken against a Member unless it determines, by a majority vote, that the summary action taken was:

- A. Arbitrary, capricious, or an abuse of the committee's discretion; or

The Chairman of the Board shall determine, in his sole discretion, whether sufficient grounds exist to hold a hearing with respect to any matter that is not addressed by other Exchange rules.~~

~~Each Panel that conducts a hearing or proceeding shall consist of directors that possess sufficiently diverse interests so as to ensure fairness. In a disciplinary matter, the hearing shall be conducted in accordance with the provisions of Rule 408.~~

Upon receiving the written request for an appeal, the Appellate Panel, by a majority vote, shall determine whether sufficient grounds exist to hold a hearing on the appeal. The Appellate Panel may only determine that sufficient grounds exist if there is a reasonable basis to conclude that the appellant might be able to meet one of the three standards identified below that would permit the Appellate Panel to set aside, modify or amend the appealed decision or the refusal to issue charges. The Appellate Panel's determination shall be based solely upon the written request and, in the case of an appeal of a BCC decision, any written response by the opposing party. The Appellate Panel's determination of whether to hold a hearing on an appeal shall be final.

If the Appellate Panel grants the appellant's request for a hearing, the appeal shall be heard within 60 days of the filing of the request for an appeal, unless the chairman of the Appellate Panel determines that good cause for an extension has been shown.

The appellate hearing shall be limited to the record from the appealed proceeding. The Appellate Panel shall not entertain any new evidence or new legal theory not raised in the prior proceeding except upon a clear showing by the appellant that such new evidence or new legal theory did not exist or was not ascertainable by due diligence at the time of the proceeding, and that there was insufficient time within the intervening period prior to the hearing of the Appellate Panel for the appellant to bring such new evidence or legal theory to the attention of the BCC or the PCC, as applicable. The chairman of the Appellate Panel shall allow the filing of briefs in connection with the appeal of a decision of the BCC. The Appellate Panel shall review the investigation report in connection with the appeal of a refusal by the PCC to issue those charges requested by the Market Regulation Department.

No member of the Board may serve on a particular Appellate Panel if he participated on the PCC Panel that issued, or considered issuing, the charges, or on the BCC Panel that issued the decision, or if he has a personal, financial, or other direct interest in the matter under consideration or is a member of the same broker association as the respondent or potential respondent.

The Chairman of the Board shall appoint a director to serve as the Appellate Panel chairman, who shall conduct the hearing, and two additional directors to serve on the Appellate Panel. One of these directors shall be a non-member. Any party to the appeal may request the Chairman of the Board to strike any director for good cause shown. The Chairman of the Board may then excuse such director and shall then select an alternate director from the Board. An Appellate Panel shall consist of directors that possess sufficiently diverse interests so as to ensure fairness.

The Appellate Panel shall not set aside, modify or amend the appealed decision or the refusal to issue charges unless it determines, by a majority vote, that the decision or the refusal to issue charges was:

- A. Arbitrary, capricious, or an abuse of the committee's discretion;
- B. In excess of the committee's authority or jurisdiction; or
- C. Based on a clearly erroneous application or interpretation of Exchange Rules.

In the case of an appeal of a disciplinary decision, the Appellate Panel shall promptly issue a written decision which shall include a statement of findings with respect to the decision from which the appeal was taken and the Appellate Panel's determination that such initial decision is affirmed, set aside, modified or amended in whole or in part and, with respect to any initial decision that is not affirmed in whole, the Appellate Panel's determination of the order or penalty to be imposed, if any, ~~and the effective date.~~ The decision of the Appellate Panel shall be deemed a decision of the Board and shall be a final decision of the Exchange.

In the case of an appeal by the Market Regulation Department of a decision by the PCC not to issue

those charges requested by the Market Regulation Department, the Appellate Panel shall either affirm or set aside the decision of the PCC. If the decision is set aside, the Appellate Panel shall remand the matter to the PCC for the issuance of charges. If the decision is affirmed, the Appellate Panel shall direct that no further action be taken and such decision shall be deemed a decision of the Board and shall be a final decision of the Exchange.

In the case of an appeal by the Market Regulation Department of a decision by the BCC to grant a respondent's motion to dismiss any or all of the charges, the Appellate Panel shall either affirm or set aside the decision of the BCC with respect to each dismissed charge. If the decision is set aside with respect to any dismissed charge, such charge shall be deemed to be reinstated and disciplinary proceedings with respect to all of the charges shall be conducted before a different panel of the BCC pursuant to the procedures in Rule 408. If the decision is affirmed with respect to any dismissed charge, the Panel shall direct that no further action be taken with respect to such dismissed charge and such decision shall be deemed a decision of the Board and shall be a final decision of the Exchange.

This Rule shall not apply to appeals of Arbitration Committee decisions, which shall be governed by the Rules contained in Chapter 6.
