EARLY LISTING OF JULY 2012 SOYBEAN OPTIONS AND SEPTEMBER 2012 CORN OPTIONS

Due to customer demand, the July 2012 Soybean options and the September 2012 Corn options will be listed early for trading on December 20, 2010. Ordinarily, the July 2012 Soybean options would have been authorized for trading on February 22, 2011 and the September 2012 Corn options month would have been authorized for trading on March 28, 2011.

These are one-time changes rather than permanent revisions to the exchange's listing cycles.
