

## Special Executive Report

S-6099R

February 1, 2012

### **NEW GRAIN AND OILSEED CLEARED-ONLY SWAPS**

**Note: This SER replaces SER S-6099 issued on January 24, 2012.**

The planned launch of cleared-only agricultural calendar swaps in Soybean Oil, Soybean Meal, and on the CBOT Soybean Board Crush, and cleared-only agricultural bullet swaps in Corn, Wheat, Soybeans, Soybean Oil, and Soybean Meal, originally planned for trade date February 13, 2012, is being delayed. The CBOT continues to work closely with the Commodity Futures Trading Commission to bring these products to market as quickly as possible. A new launch date, when secured, will be communicated in another Special Executive Report.
