

# Credit Risk Services

## Thousands of relationships. Millions of trades. One network.

Traiana offers comprehensive suite of credit and documentation services for prime brokers, executing brokers, clearing members and buy-side clients to manage both credit risk and legal documents to set, amend, and monitor their clients' exposure in real-time.

## Core services

DESIGNATION NOTICE MANAGER (DNM)	LIMIT HUB	CREDITLINK WITH KILL SWITCHES AND REBALANCER
<p>Designation notices are the cornerstone of FX PB relationships as they enable the tri-party relationship between FXPB, dealers and client and hold limits governing the relationship.</p> <p>DNM streamlines creating, monitoring, amending and terminating FX tri-party Designation Notices Agreements.</p> <p>It has become an integral component of FXPB landscape with 80% of designation notices negotiated on the platform, 15 PBs and 36 EBs signed.</p>	<p>OTC Clearing pre-trade and post-trade limit checking hub connected to most regulated venues and CCPs in partnership with leading FCMs.</p> <p>LimitHub utility solves the fragmentation issue as all limit checks are performed centrally in the hub, while mutualizing the cost of building the underlying technology.</p> <p>Support bunched order allocation for buy-side clients.</p> <p>LimitHub is the only hub in production adopted by all major clearing members and trading venues: 18 clearing members, 24 regulated venues, 6 CCPs, 900+ end clients.</p>	<p>PBs and EBs have control over clients' exposure via credit management of overall limits and 'liquidity limits' (ECN + DN limits) for FX products.</p> <p>CreditLink provides active limit management via rebalancer and KillSwitch allowing PBs to stop clients from trading and dynamically or manually distribute limits across executing venues.</p> <p>8 PBs and 32 EBs signed, 15 ECNs supporting KillSwitch, 7 rebalancer.</p>

Traiana ([www.traiana.com](http://www.traiana.com)) is now part of CME Group.

As the world's leading and most diverse derivatives marketplace, CME Group ([www.cmegroup.com](http://www.cmegroup.com)) enables clients to trade futures, options, cash and OTC markets, optimize portfolios, and analyze data – empowering market participants worldwide to efficiently manage risk and capture opportunities. CME Group exchanges offer the widest range of global benchmark products across all major asset classes based on interest rates, equity indexes, foreign exchange, energy, agricultural products and metals. The company offers futures and options on futures trading through the CME Globex® platform, fixed income trading via BrokerTec and foreign exchange trading on the EBS platform. In addition, it operates one of the world's leading central counterparty clearing providers, CME Clearing. With a range of pre- and post-trade products and services underpinning the entire lifecycle of a trade, CME Group also offers optimization and reconciliation services through TriOptima, and trade processing services through Traiana.
