NOTICE

RE: **APPLICATION FOR ETHANOL REGULARITY INCREASE**

The Exchange has received an application from **Lansing Grain Company, LLC**, for an increase in Ethanol regularity at the facility listed below. The following chart provides the facility, daily rate of loading, current maximum allowable certificates, and requested maximum allowable certificates:

<u>Location</u>	Daily <u>Rate of Loading</u>	Current Max <u>Certificates</u>	Requested Max <u>Certificates</u>
Argo, IL	145,000-gallons	89	103

Pursuant to Regulation 1691.01, increases in regularity shall be effective either 30 days after a notice of an application has been posted or the day after the application is approved by the Exchange, whichever is later.

Questions in this regard may be directed to John Hill at (312) 435-3592 or Joe Miller at (312) 341-3426.
