NOTICE

RE: APPLICATION FOR ETHANOL REGULARITY INCREASE

The Exchange has received an application as indicated below for an increase in ethanol regularity. The following chart shows the facility, the daily rate of loading (in gallons) and the requested increase in the maximum number of shipping certificates that could be issued. The daily rate of loading and storage capacity is used to determine the number certificates the facility can issue.

<u>Firm</u>	<u>Facility</u>	<u>Daily Rate of Loading</u>	<u>Current Maximum Number Shipping Certificates</u>	<u>Requested Maximum Number of Shipping Certificates</u>
Noble Americas Corp.	Argo, IL	80,000	42	92

Pursuant to Regulation 1691.01, increases in ethanol regularity will be effective 30 days after a notice has been posted or the day after the application has been approved by the Exchange, whichever is later.

Questions regarding the above notice should be directed to Joe Miller at (312) 341-3426.
