NOTICE

RE: APPROVED INCREASES IN CORN/SOYBEAN REGULARITY

The Exchange has approved applications from **Cargill, Inc.** for increases of corn and/or soybean regularity at the firm's facilities indicated below. The following chart shows the applicable facilities, the approved daily rate of loading (in bushels), and the maximum number of shipping certificates that could be issued based on the daily rate of loading.

Increases:

Facility	Daily Rate of Loading	Maximum Number of Shipping Certificates
Morris, IL	110,000	440
Seneca, IL	110,000	440
Ottawa, IL	110,000	440
Hennepin, IL	110,000	440
Lacon, IL	110,000	440
Havana "N", IL	110,000	440
Havana "S", IL	110,000	440
Beardstown, IL	110,000	440

These approvals are effective immediately.
