

CBOT Agricultural Product Hours are Expanded on CME Globex

The CBOT agricultural products will be transitioning from e-cbot® to CME Globex on Sunday, January 13, 2008. When these products are transitioned to CME Globex, they will have expanded trading hours with the products opening 30 minutes earlier.

Earlier Start Times

- **Pre-Open Agricultural Futures**
- **Open: Agricultural**

New Hours (Chicago)

4:50 p.m.
6:00 p.m.

All products within a product group open simultaneously at start of trading period and there is no pre-open for options. The table below highlights the complete trading schedule for CBOT Agricultural futures and options. For more information on the CME Globex migration, please go to www.cmegroup.com.
