ADVISORY #: 07-111
DATE: May 17, 2007
SUBJECT: **CME® Lean Hog and Frozen Pork Belly Futures and Options to Open Earlier –
Effective Monday, June 4, 2007**

Effective Monday, June 4, 2007, the opening time for CME Lean Hog and Frozen Pork Belly Futures and Options contracts will change to **9:05 a.m.** Central Time (CT), from the current 9:10 a.m. CT. This change applies to CME Lean Hog and Frozen Pork Belly futures and options traded via open outcry on the CME Trading Floors, as well as those traded electronically on the CME Globex® platform for opening each Monday morning. Market closing times remain unchanged.

This change is being implemented for consistency's sake and to facilitate the use of implied functionality for inter-commodity spreads.
