FROM: Clearing House Department

ADVISORY #: 06-111

DATE: May 4, 2006

SUBJECT: **New Delivery Warehouse and Plant**

Effective immediately, the following warehouse has been approved for storage of CME Butter (Spot & Futures) and Pork Belly future commodities for the 2005/2006 season.

PENNSYLVANIA

New Federal Cold Storage
Pittsburgh, PA
(412) 471-5161

Effective immediately, the following plant has been approved for CME Spot Butter deliveries for the 2005/2006 season.

CALIFORNIA

Land O'Lakes
Tulare, CA
(559) 687-8287

Reminder: All CME delivered commodities are subject to CME Rule 701.B, which requires that the Exchange must have approved the warehouse for at least 30 days previous to the date of the delivery, and the butter, must have entered storage on or subsequent to the date of approval.

Attached are updated lists of the CME approved Butter and Pork Belly warehouses and Butter plants for the 2005/2006 season.

If there are any questions, please contact the Deliveries Unit at (312) 930-3172.
