SUBJECT: IP Source Address Change on August 11, 2007
DATE: August 6, 2007

Over the course of the last year CME Group Clearing Services have been contacting firms to change the source and destination address of MQ messaging and VPS printing. Now that firms have made the needed changes, CME Group will finalize the source IP address change to the new location on Saturday, August 11, 2007. The change will be transparent to firms as we've already established the necessary connectivity.

For questions or concerns please contact CME Group Clearing Services at (312) 207-2525 or email at ccs@cmegroup.com.

Thank you.
