

Advisory Notice

Clearing House

TO: Clearing Member Firms
Attn: Back Office Managers
Delivery Personnel

FROM: Clearing House Department

ADVISORY #: 06-62

DATE: March 17, 2006

SUBJECT: **Update to Fertilizer & Ethanol Testing Facility**

Effective immediately the address to CME Inc's designated Fertilizer and Ethanol testing facility has changed to:

Intertek Caleb Brett
160 E. James Drive
St. Rose, LA 70087

Firms delivering Fertilizer or Ethanol are required to provide a one-half pound single sample of the product that is representative of the shipments for that day. The seller must have the product enclosed in glass or a sealable bag, indicate the Chicago Mercantile Exchange Inc. , the type of product (i.e. UAN, Urea, DAP), the CME assignment number and the car number that the sample represents. The sample must be sent to the business day following the date of acceptance by the railroad, to the aforementioned testing facility by overnight delivery.

If there are any questions or concerns, please contact Deliveries at (312) 930-3172.
