

Advisory Notice

Clearing House

TO: Clearing Member Firms
Attn: Back Office Managers
Delivery Personnel

FROM: Clearing House Department

DATE: May 21, 2007

ADVISORY #: 07 - 116

SUBJECT: **Delivery System Password Changes**

Effective Monday, June 11, 2007 users of the Deliveries System for CME and CBT will now use the same password as they use for Front End Clearing "FEC", Document Direct, 3270 Emulation, and Clearing 21 Positions. A user's individual access will not change, only the password used to enter the application.

As you were notified in Clearing House Advisory 07-110 <http://www.cme.com/clearing/clr/clradv/files/Chadv07-110.pdf> on May 17, 2007 CME is decommissioning <http://portal.cme.com> on June 18, 2007. As part of that effort, the Deliveries System will only be available on <http://connect.cme.com> starting on June 11, 2007.

If you or your staff need access to the Deliveries Systems please contact firmsupport@cme.com or 312-930-3444. As a reminder, all password resets and access requests should be sent to CME Firm Support.
