ADVISORY #: 07-14

DATE: January 12, 2007

SUBJECT: **Spot Call Deliveries System Enhancements**

Effective Tuesday, January 16, 2007, the following Spot Call Deliveries system enhancements will be available:

- Firms will have the ability to enter as many vat boxes needed for a cheese barrel delivery in the intent details screen.
- The lot number will be available on the Intent Summary screen for all spot products.
- The payment due date will be on cheese barrel and cheese block invoices.
- An e-mail notification will be sent to buyers and sellers of cheese alerting when invoices are available in Spot Call Deliveries.

If there are any questions or concerns, please contact Deliveries at (312) 930-3172.
