

Advisory Notice

Clearing House

TO: Clearing Member Firms
FROM: Clearing House Department
ADVISORY #: 07-34
DATE: February 6, 2007
SUBJECT: **CME SPAN Files now include FXMarketSpace Data**

Data for FXMarketSpace™ is now included in production CME Clearing SPAN® files. These files now contain data for three exchanges: CBOT, CME, and FXMarketSpace. Note that trading on FXMarketSpace has not yet begun. Files are available at their usual location: <ftp://ftp.cme.com/pub/span/data/ccl>.

In order to process SPAN files with FXMarketSpace data correctly, PC-SPAN® users will need to download and install the latest version of the Organization Master File. The latest version of the Organization Master File can be downloaded from its usual location at <ftp.cme.com/pub/span/util/orgmast.exe>. Installation instructions for the Organization Master File can be found here: <http://www.cme.com/clearing/rmspan/span/spanorgmast10303.html>.

If you have any questions or concerns, please contact CME Clearing's Risk Department at 312-648-3888 or CME Clearing's main number at 312-207-2525.
