

Advisory Notice

Clearing House

TO: Clearing Firms
Back Office Managers

FROM: CME Clearing

DATE: January 18, 2008

ADVISORY #: 08-11

SUBJECT: New CMEGroup.com: Helpful Hints for Back offices

As you were informed on January 17, 2008 CMEGroup is launching a new web site which will be available at www.cmegroup.com. The existing web sites www.cme.com or www.cbots.com will still be available but we encourage you to use www.cmegroup.com. The web site is organized by sections and subsections on the left hand side of the page. Most of what Clearing Firms will be interested in will be in the Clearing section and its six subsections. As a convenience we are providing hints for finding data on the new site.

- You can quickly find information on products by using the "Find a Product" tool on the upper right corner of the page. The product specific dates, last trade date, settlement date and delivery date information are available on these product pages.
- Performance Bond information is available in the Clearing » Risk Management / CME SPAN section.
- The Special Option Expiration report is available through the Clearing >> Deliveries section.
- Clearing Advisories can be found in two spots. The first is through the Advisory Notices tool on the bottom right of the Clearing pages and the second is through links under the Tools and Information section.
- The Live Cattle Posting report is available through the "Related Links" section of the Clearing >> Deliveries section.
- Issues and Stops for both CME and CBOT products are available in the Clearing >> Deliveries section of the web page.
- CBOT Registrar Reports are available through the same drop downs as the Issues and Stops data.
- Final cash settlement prices are available through the "Related Links" section of the Clearing >> Deliveries section. There is also another link to view cash settlements of the previous months.
- BPS and GPS information, including deposit calendars, can be found under Clearing >> Systems and Operations.

If you have any questions please contact Clearing House Deliveries at 312-930-3172.
