

CME Fee Systems Portal

Menu Page

After successfully logging in to the CME Fee Systems Portal, you will be directed to the Fee Systems Menu page.

- The menu page will display links to all of the fee systems to which you have been granted access.

- If a system is unavailable due to system maintenance, the link for that system will be grayed out and you will not be able to click on it. A message will display below the system image to notify you that maintenance is in progress.
- Clicking the arrow next to Fee Systems Menu will refresh the page and update which systems are available.
- If you click on one of the system links, you will be brought to the respective homepage of that system.
- Clicking the **Change Password** link will bring you to the change password screen.
- Clicking the **Logout** link will log you out of the Fee Systems Portal and bring you back to the log-in page.
