FROM: Clearing House Department

ADVISORY #: 06-106

DATE: April 26, 2006

SUBJECT: **Pit Trade Migration, Friday, April 28, 2006**

On Friday, April 28, 2006 CME will complete the migration of all CME pit traded products from the 3270 based Trade Entry System (TES) to the web-based front-End clearing system (FEC). On Friday, April 28, 2006 all CME products will be processed in FEC.

After the clearing cycle on Thursday April 27, 2006, all end of day out-trades will automatically roll into FEC. **PCME-TES will not be available on Friday morning.** Out-trades can be viewed in We show/ They show screens in FEC. All CME pit trades will flow directly to FEC requiring no changes by firms or service providers.

As a reminder, all Packs & Bundles must be submitted in the bundle entry screen in FEC. The fungible offset for the equity and currency products must now be processed in the fungible entry screen in FEC.
