ADVISORY #: 06-171

DATE: July 10, 2006

SUBJECT: **Spot Call Deliveries System Enhancements**

Effective immediately, there have been some Spot Call Deliveries System enhancements. The enhancements are as follows:

- Firms may now select multiple lots from same warehouse on the Butter Warehouse Transfer form.
- A field has been created on the cheese details screen to allow adding container charges.
- The Storage paid thru date has been added for Butter and Non-fat Dry Milk intent screens and invoices.
- A filter has been added to warehouse so firms will only see butter or milk warehouses under the appropriate commodity.

If there are any questions or concerns, please contact Deliveries at (312) 930-3172.
