ADVISORY #: 06-91
DATE: April 12, 2006
SUBJECT: **REMINDER**-- Customized CME® Weather Strip Futures and Options Now Available

As a reminder, in September 2005, the CME Weather team restructured the seasonal contracts to offer *more flexibility* in trading CME Weather contracts in multiple months. Previously, weather contracts offered fixed five-month trading contracts for all weather cities. Due to customer demand, we now offer seasonal strips that can be customized to a trader's needs. Now a seasonal strip can cover from a two-month to a seven month period.
