

## Advisory Notice

Clearing House

**TO:** Clearing Member Firms  
Back Office Managers

**FROM:** CME Clearing

**ADVISORY #:** 08-150

**SUBJECT:** Front End Clearing Electronic Trades View Enhancement Effective August 3<sup>rd</sup>.

**DATE:** July 14, 2008

Please be informed that the current view of electronic trades in Front End Clearing (FEC) will be modified to enable clearing firms to view ecbot metal products separately from the rest of CME Group products. This change will be effective starting Sunday, August 3, 2008 for trade date Monday, August 4, 2008. All current FEC users will automatically have access to these new venues.

**Currently**, all CME Group products which trade electronically can be found in FEC by performing searches with:

**Search Type:** "Simple"

**Venue:** "Elec".

**On August 3<sup>rd</sup>**, the Venue dropdown menu "Elec" will be replaced with 2 new categories: Globex for CME Group products and ECBT Metals for. For searches:

**Search Type:** "Simple"

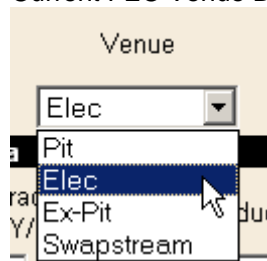

**Venue:** Globex or  
ECBT Metals

To view all electronic CBOT and CME trades, with the exception of CBOT precious metals, firm users will need to select "Globex" as the "Venue".

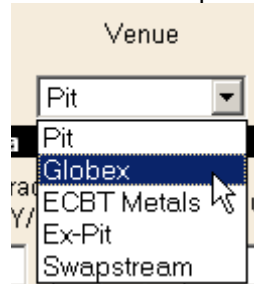

To view all CBOT electronic trades for the precious metals complex, firm users will need to select "ECBT Metals". The precious metals complex is comprised of the full-size (100 oz.) gold and (5,000 oz.) silver futures, options on the full-sized gold and silver futures and the mini-sized gold and silver futures.

Please see below screen shots of the current and futures view of FEC menu options.
