TO: Clearing Member Firms, Back Office Managers, Delivery Personnel
FROM: CME Clearing
ADVISORY: 11-408
SUBJECT: Document Direct Decommission/ EREP Production Cutover
DATE: 11/9/2011

Document Direct Decommission – Effective November 14th, 2011

Please be advised that effective **Monday, November 14th, 2011**, Document Direct will be decommissioned. **Enterprise Reporting Portal (EREP)**, which has been available in an extended production parallel since October 2010, will replace Document Direct.

Firms are encouraged to continue to access EREP within the CME Group CERT and PROD portals to certify readiness prior to November 14th, 2011. This includes verification of user access, report permissions, report data and format, system features, and FTP transmissions.

File Packaging and VPS Decommission – Effective November 21st, 2011

Effective **Monday, November 21st, 2011**, FTP transmissions will cutover to EREP generated file packages. This includes decommission of legacy **Virtual Print System (VPS)** functionality.

Please access the [EREP User Manual](#) or [EREP FAQ](#) for additional details on system features.
