RE: Date Change for Phase III of CME Globex Credit Controls (GC2)

In order to enhance the risk management tools available to clearing firms utilizing CME Globex®, CME Group is rolling out enhanced CME Globex Credit Control functionality. Please be advised that the Phase III rollout of Globex Credit Controls will be postponed until April 2, 2011. For a detailed overview of the new functionality in this release, please refer to the Client Impact Document at

<http://www.cmegroup.com/globex/files/CMEGlobexCreditControls.pdf>

and the webinar of the recent presentation to Clearing Member firms at
