

13-143

TO: Clearing Member Firms

Back Office Managers

FROM: CME Clearing

SUBJECT: S&P GSCI™ ER Index Futures

DATE: March 22, 2013

Effective April 8th CME Group will be changing the minimum tick size, final settle increment, position limits and performance bond requirement for long position holders. The minimum tick size will be decreasing from the current 0.10 to the new tick size of .001. The final settlement will be decreasing from the current minimum increment tick of .01 to .0001. The position limits will be increasing to 59,000 contracts and the 100% performance bond requirement for long position holders will be eliminated.
