SUBJECT: **KCB FIXML Messaging Preferences**

In preparation for the April 15th, 2013 first day of clearing Kansas City Board of Trade (KCB), we are requesting clearing member firms notify us if they would like the default value in the FIXML tag “Exch” be “flipped” from KCB to CBT for book keeping confirm records. Additionally, please indicate which queues this change should apply.

This change will not affect anything other than the FIXML clearing confirm record and there is no need to respond if the Exch attribute should remain KCB.

If there are any questions regarding this request please contact us at (312) 207-2525 or CCS@CMEGroup.com.
