

 **CME Group** | Advisory Notice

13-262

DATE: June 14, 2013

TO: Clearing Member Firms; Bookkeeping Software Providers, ISVs

FROM: CME Clearing

SUBJECT: Strike listings and listing cycles

Effective Sunday, June 30th, for trade date Monday, July 1st, the CME Group, Inc. will harmonize the generation of the KCBT Wheat options (Clearing Code KW/Globex Code OKE) strikes prices to be consistent with the generation rules for CBOT Wheat options. Additionally, the listing cycle for KCBT Wheat futures and options will be harmonized with the listing cycle for CBOT Wheat futures and options.

Listing Cycles

For KCBT Wheat futures, the Exchange will list three (3) July contracts and all preceding expirations. For KCBT Wheat options, the Exchange will list three (3) consecutive month expirations and six (6) standard expirations of March (H), May (K), July (N), September (U) & December (Z).

Strike Listings

Specifically, trading shall be conducted for put and call options with striking prices in integral multiples of ten (10) cents per bushel for standard options and in five (5) cents per bushel for serial options and for standard options when they become the third listed contract month.
