ADVISORY #: 13-346

SUBJECT: **Deliveries Plus – Live Cattle Migration Update for August 2013 Contract Month**

Please be advised the migration of the live cattle application to Deliveries Plus has been delayed. For the **August 2013** live cattle contract, clearing firms should use the existing live cattle application.

Clearing firms may still test the new live cattle application in the New Release environment. The migration of Live Cattle to Deliveries Plus offers new and improved features to clearing member firms. Some of the features include:

- Ability to manage delivery scheduling through the Delivery Schedules feature in Deliveries Plus.
- Email confirmations for actions completed throughout the delivery process.
- Improved firm management functionality for feedlots.

If a firm needs to access to the New Release environment, please complete the access request form <http://www.cmegroup.com/clearing/files/onlineaccess.pdf> and fax to Firm Support 312.604.9450.

If there are any questions, please contact Deliveries at 312.930.3172 or email clearinghousedelivteam@cmegroup.com.
