 SUBJECT: **Product Listing Schedule Expansion**
 DATE: 8/8/2013

Effective Sunday, August 25th for trade date Monday, August 26th and pending all relevant CFTC regulatory review periods, please be advised that the CME Group, Inc. will expand the listing of contract months for the products listed below on CME Globex, Open Outcry, and available for submission for clearing on CME ClearPort.

Code Clearing / Globex	Title	Current Listing Schedule	New Listing Schedule
WDF/OWD	Short-Dated New Crop Wheat Options	On the first business day of September of a new calendar year, list three contract months: December (Z), March (H), and May (K). Each of these options will exercise into the nearby July futures. No other contract months shall be listed in the same calendar year. A new listing cycle will not start until the first business day of September of the next calendar year.	On the first business day following the expiration of the September Wheat options, list three contract months: December (Z), March (H), and May (K). Each of these options will exercise into the nearby July futures. No other contract months shall be listed in the same calendar year. A new listing cycle will not start until the first business day following the expiration of the September Wheat Options.
CDF/OCD	Short-Dated New Crop Corn Options	At the first business day of a new calendar year, list three contract months: May (K), July (N), and September (U). Each of these options will exercise into the nearby December futures. No other contract months shall be listed in the same calendar year. A new listing cycle will not start until the first business day of the next calendar year.	On the first business day following the expiration of September options, list four contract months: March (H), May (K), July (N), and September (U). Each of these options will exercise into the nearby December futures. No other contract months shall be listed in the same calendar year. A new listing cycle will not start until the first business day following the expiration of the September option.
SDF/OSD	Short-Dated New Crop Soybean Options	At the first business day of a new calendar year, list three contract months: May (K), July (N), and September (U). Each of these options will exercise into the nearby November futures. No other contract months shall be listed in the same calendar year. A new listing cycle will not start until the first business day of the next calendar year.	On the first business day following the expiration of September options, list four contract months: March (H), May (K), July (N), and September (U). Each of these options will exercise into the nearby November futures. No other contract months shall be listed in the same calendar year. A new listing cycle will not start until the first business day following the expiration of the September option.
