SUBJECT: Decommission of the CME Migration Utility

DATE: August 26, 2013

Please be advised that effective September 23<sup>rd</sup>, 2013, CME Clearing will be decommissioning the CME Trade Migration Utility for credit default swaps in both the New Release and Production environments.

In the near future, CME Clearing plans to replace the utility's functionality with a new, streamlined process. CME Clearing will distribute further information about this process later this year.
