

# CME Group | Advisory Notice

14-225

TO: SPAN Software Users  
FROM: CME Clearing  
SUBJECT: **CME-CH.COM migration to CME CORE**  
DATE: Tuesday, June 10, 2014

Effective **Tuesday, June 10, 2014**, the following software and documentation that was available through [cme-ch.com](http://cme-ch.com) is now available in CME CORE:

- CME Optimizer
- PC – SPAN
- SPAN Risk Manager
- SPAN RM Clearing
- SPAN COM Interface
- SPAN DOT NET Interface
- SPAN Framework

Please note, all users will be able to access their software after claiming their legacy permissions in CME CORE's Download Center.

Accessing the latest version of your software is easy through CME CORE.

- 1) Create a SMART Click ID if you do not already have one
  - a. See steps below for creating one
- 2) Log into CME CORE here: <https://cmecore.cmegroup.com/core/index.html>
- 3) Go the Download Center à Software
  - a. PC SPAN will be available (no purchase necessary)
  - b. All customers can claim their legacy software in CME CORE by entering their [cme-ch.com](http://cme-ch.com) user name and password into CME CORE's software download center

The screenshot shows the CME Group CORE software download center interface. The top navigation bar includes 'Home', 'Margin Calculator', 'Reports', and 'Download Center'. Below this, there are tabs for 'Documents' and 'Software'. The main content area is titled 'Welcome to the software download center of CME CORE.' and lists available software: 'PC SPAN - Free', 'Span Risk Manager - \$3000', and 'CME Optimizer - Free'. A text box below the list explains that legacy users can claim their software by entering their 'cme-ch.com' username and password. At the bottom, there are input fields for 'Username' and 'Password', and a 'Submit' button.

Steps for creating a SMART Click ID:

- 1) Go to the [CME CORE login screen: https://cmecore.cmegroup.com/core/index.html](https://cmecore.cmegroup.com/core/index.html)
- 2) Click on the "Need to Register" link and provide the required information.
- 3) Receive your SMART Click ID.
