

TO: Clearing Member Firms; Back Office Managers
FROM: CME Clearing
ADVISORY #: 15-031
SUBJECT: **New Web Browser Standards**
DATE: January 30, 2015

CME Group is committed to our customers' information security. To deliver the best security and customer experience, we are implementing the following changes to all CME Group web-based applications and services:

- **Sunday, February 1** – Internet Explorer version 6 will no longer be supported
- Starting **Sunday, April 5** – Only versions of Chrome and Internet Explorer released in the most recent 12-month period will be certified and supported

Customers are encouraged to make sure they've upgraded to the latest versions of Chrome and/or Internet Explorer for the best and most secure experience.

Affected services may include:

Services
