**Asset Management and Settlement Users:**

The Asset Management and Settlement applications migrated to [SMART Click](#) on April 13<sup>th</sup>, 2015. SMART Click consolidates access to all clearing and exchange applications to a single login screen. After the migration date we offered a 2 month grace period where firms could continue to use their legacy IDs for access to these applications. **Effective tomorrow, June 12<sup>th</sup> legacy IDs will no longer be valid.**

The new single login address to remember is <https://login.cmegroup.com>. Below is the simple process to maintain your access to Asset Management and Settlement:

- 1) Register for a SMART Click ID at <https://login.cmegroup.com>
- 2) Activate your SMART Click
- 3) To claim & link your Legacy ID to your SMART Click ID: Log in at <https://connect.cmegroup.com> as normal, then navigate to Asset Management and/or Settlement where you will be re-directed to the SMART Click landing page. Click on 'Login with SMART Click and claim legacy ID'.
- 4) You will be directed to the old Asset Management and/or Settlement login screen where you will enter your **Legacy ID and password.**
- 5) After performing step 4 for the first time, you will login in the future only with your SMART Click ID by click on the 'Login with SMART Click' link when you navigate to <https://login.cmegroup.com>. **DO NOT CLAIM LEGACY IDs A SECOND TIME.**
