IMPORTANT MEMORANDUM

TO: Clearing Member Firms
Chief Financial Officers
Back Office Managers

FROM: CME Group Clearing

ADVISORY: 15-273

SUBJECT: EREP New Release SMART Click Activation

Please be advised CME Clearing will convert EREP New Release to SMART Click ID effective on **Wednesday, September 9th at 2:00 p.m. CST.**

- If a user has an active id in EREP New Release as well as a valid Production EREP SMART Click Id, CME Clearing will automatically claim the ID in New Release on behalf of the user which will mirror the user's existing Production SMART Click ID
- There will not be a SMART Click claim period for EREP New Release
- **New** EREP users will need the following to gain Production and/or New Release access:
 - The user will need to have a valid SMART Click ID to gain access
 - Please do not create a new SMART Click ID if you already have one
 - If you need to create a SMART Click ID for the first time please click:
 - <https://login.cmegroup.com/sso/register/>
 - Contact the EASE Team and request EREP access assistance.
 - 312-456-1560, option #2
- **Report naming will be similar to Production but will now include a NR_ or Cert_ prefix at the beginning of the report name**

Please note that after 2:00 p.m. on Wednesday, September 2nd EREP New Release will no longer be available via the CME Portal. The application will only be available via the links below using a SMART Click id:

- <https://erepnr.cmegroup.com/erep>
- <https://loginnr.cmegroup.com/>

Below is the link to the SMART Click FAQ document for a detailed overview of the process:
