

 **CME Group** | Advisory Notice

TO: CME CORE API users

FROM: CMEEclearing@cmegroup.com

DATE: November 23, 2015

SUBJECT: CME CORE API and GUI Enhancements: Postponed

ADVISORY #: 15-398

Please be advised that the following enhancements to the CME CORE API and GUI, which were due to be released November 21, 2015, will be postponed:

- Support of BRL IRS trades
- Increased IRS risk engine capacity

The date in which these enhancements will be released to the CME CORE API and GUI is TBD. Users will be notified once a new release date has been established. Please contact the CME CORE group at cme.core@cmegroup.com with any questions.
