New User Registration

Step 1: Create a SMART Click User ID

The first step is to create a SMART Click User ID with which to access the Large Trader: Firm Edition system.

If you already have a SMART Click User ID for another CME Group application please skip ahead to step 2.

SMART Click is a user registration tool that allows CME Group customer and clearing member staff to create a user ID and registration profile that can be used to access CME Group applications that have been integrated with the SMART Click registration tool.

The SMART Click tool offers important features and benefits to its users.

- **Self-Management of Contact Information** allows users of CME Group applications' to spend less time entering personal information and completing paperwork. User information is entered one time in one place and can be updated by users at their convenience.
- **Use of a Single User ID** requires that users remember and enter just one user ID across all SMART Click enabled applications.
- **On-Line Registration** allows users to create and maintain a unique user ID and password, as well as modify profile information through a browser-based interface.
- **Forgot My User ID** and **Forgot My Password** allow users to retrieve their user IDs and passwords on-line without having to contact CME Group's Customer Support for help.

SMART Click End-User License Agreement

By registering and logging into **SMART Click** you agree to the End-User License Agreement, which is a legal agreement between you and CME Group Inc. Be sure to review the End-User License Agreement by clicking on the End-User License Agreement hyperlink located on the SMART Click Registration and Login screen.

SMART Click Registration

To create a SMART Click profile, user ID, and password, users must complete registration process. Log in to the SMART Click Registration/Login screen by accessing the Internet and entering <https://smartclick.cmegroup.com> in your browser.
