

Special Executive Report

DATE: 25 November 2015
SER#: 7527
SUBJECT: NYMEX In Delivery Month European Union Allowance Futures Contract (CME Globex Code: 6T; Clearing Code: EAF; NYMEX Rulebook Chapter: 1250)

Please be advised that New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") has determined not to effectuate the close out of opted-in NYMEX In Delivery Month European Union Allowance futures positions and the corresponding re-establishment of equivalent positions on CME Europe Limited ("CMEE") as previously described.

Existing EUA Futures products will continue to be listed for trading on both NYMEX and CMEE, and be available for clearing at CME Clearing and CME Clearing Europe, respectively.

NYMEX and CMEE will continue to work with our market participants to develop solutions to meet emissions trading and risk management objectives.
